Subject: Uniform Business Report

I received your latest response and there still seems to be a big misunderstanding. I moved to my current address in August of 1999. I did not receive a uniform business report in the mail in the year 2000 in spring or early summer, whenever they are due. When I realized, through my accountant, in the fall of the year 2000 that I needed to fill one out, I called the State Department and the gentleman who answered the phone said he would send a business report form out to my current address. I waited 2 months, no response from the State Department, no form. I called again in October of 2000, at which time a form was sent out. The form, however, was still sent out to the St. Armens address.

I have the business form 2000 report only due to the fact that my old neighbor, Frank, saved it for me because he thought it might be important. By this time we are into the year 2001.

So, when I filled out the report for submission to the State Department, again after repeated calls to the State Department, you told me to submit 2000 and 2001 together and pay the \$150.00 per year. This, again, I did as you instructed me to do. I believe there are too many associates involved with my situation. As another point, I would have filled out a form 2001, but you still haven't got my new address right, and I never received a 2001 report.

Can we please all just get this correspondence right this time. Once again I'm sending you A uniform business report form for both 2000 & 2001, the State Department has two years of fees for this one report.

Enclosed is the report the State Department keeps sending back to me. Please acknowledge and reinstate Carpet Technique Consultants Inc. for the years 2000 & 2001. Thank you very much.

Regards,

Jeff Wahlen
