To whom it may Concern:

I received my Florida Department of State - Divisions of Corporations - 2002 Uniform Business Report recently and filed it in the To Pay bin. I started to pay it today and noticed that it is the late version and I that have missed the May 1 deadline. I immediately went to my payables to check. Sure enough I haven't paid this year. I looked everywhere for the original form so I could yell at my secretary. It's just not here and she swears it never arrived... I believe her.

I called the 1-888 number on the form and a nice lady said that I could pay the original \$150.00 payment if I included this letter explaining that the original form never arrived.

I thank you for this consideration.
