Dear Florida Department of State:

I called the phone number for the Division of Corporations about the late fee on my annual report, and the operator instructed me to give a brief explanation along with a check for \$150.00 dollars. The simple explanation is that this is the first notice I have received. I do realize ignorance is not an excuse but this is my first year as a corporation. There have been some problems with the mail delivery in the building in the past. Those problems have been brought to the attention of the local post office and appear to have been corrected. I hope this explanation will suffice.

Thank you,
