Re: Document#P97000081695, Petition to Wave Penalty Fee

Much to our dismay, East Jupiter Marine, Inc. was served with a Notice of Dissolution for our corporation. This dissolution has been the **very first notice** we have ever received about filing with the State for this year. In the section marked "Important Facts", it states that "The reinstatement fee can be waived if the corporation did not receive the two prior uniform business report (UBR) notices." We are sure that our company did **not** receive any such Notice prior to the Dissolution.

It is our belief that the State of Florida, no doubt tried to send this paper work to us. However, our company prides ourselves on the **habitual & timely** manor in which we have **always** filed our UBR, State Taxes, Payroll Taxes and All the numerous forms that have to be filed when incorporated (many of which run thousands of dollars each month). Not to file a \$150.00 UBR form would make no sense, unless you consider the fact that our company has never been notified prior to the dissolution. Please, look into our past records and note that this is indeed the case.

Early in this year we did have a problem with our mail box being vandalized (most likely by children). At the time, we made every effort to correct the reoccurring problem. It seems to have subsided. This problem, compounded by the mishaps of holiday mail and the events after 9/11/01 with the mail, it is fair to conclude that there were many opportunities for the renewal forms not to have reached us.

We sincerely ask that The Department of State review our Petition to Waive the reinstatement penalty fee and accept our State filing fee of \$150.00. We thank you in advance for your time and research in this matter.

Sincerely,

Andrew Gaab, VSD
