To Whom it May Concern,

I have to start by apologizing for the lateness of this money, but unfortunately I had no idea that this was to be done. My office had received only one mailing from your office and at that time we were already late. I had called your office and explained that we are a very small corporation (2 men) and we just started in September so we did not know or look for any paper work from you. We were told to enclose a check for \$150.00 and this letter. We will however look for the letter in January so I don't have this problem again. My partner and I are trying to do everything possible to follow all reports and licensing. Thank You for your understanding in this matter.

Yours Truly

  
Thomas Jennings  
President
