**Re: Ice Cold Mechanical Air, Inc.  
Document Number P97000086558**

Dear Sir or Madam:

We are writing this letter on behalf of the above-named Taxpayer. Recently, the Taxpayer received a Notice of Administrative Dissolution or Revocation, which states that the Florida Department of State has administratively dissolved this corporation or revoked its authority to transact business in the state of Florida. The reason for the dissolution is that the Taxpayer has failed to file their 2003 Uniform Business Report.

The taxpayer has reviewed their records and they do not have any record of receiving a 2003 Uniform Business Report. Also, they did not receive the reminder notice, which would have notified them of the potential administrative dissolution. Apparently, the Uniform Business Report and the reminder were not mailed to the proper address. This is consistent with the fact that the Taxpayer invariably contacts our office whenever they receive any form of correspondence from a taxing authority and we do not have any record of them contacting our office regarding this matter in 2003. Furthermore, our own Firm as well as many of our clients did not receive a 2003 Uniform Business Report. It appears there was some confusion in the mailing process.

Based on the facts outlined above it is apparent that this was completely unintentional and the non-filing was only because the Taxpayer never received the original annual report. This coupled with the fact that the Taxpayer has a history of timely filed Uniform Business Reports we respectfully request that the notice of revocation be rescinded and the Taxpayer be granted the ability to file their 2003 Uniform Business Report late. To that end, we have enclosed a check in the amount of \$150.00 payable to the Florida Department of State. We respectfully request that you accept this as full payment for the Taxpayers 2003 annual report and that your office reinstate the Corporation's authority to do business in the Florida.
