Attn: Ms. Katherine Harris / Secretary of State

RE: P97000089942 (Ari's Parts Specialist, Inc.)

Dear Ms. Harris:

I acknowledge receipt of your letter dated June 22, 2002 stating that our Annual Report has not been filed due to incomplete payment.

Please consider that for two consecutive years we have received the Annual Report form in the mail, 2 or 3 months prior to the due date (May 1st). For the year 2001 and 2002 I never received the report in the mail. If you look in our files, you would see that for year 2001 the penalty of \$400 was waived by the Secretary of State and a report form was mailed to me by then. Now, that I need to file annual report for 2002, I also have not received the form in the mail, so I called several times requesting the form, which was never sent, and finally a person told me to print it from the website. I did that and sent it along with the \$150 fee on 6/13/02.

I'm aware that the report was filed late but this was due to the fact that I never received it in the mail and as soon as I discovered I could print it from the website, I sent it immediately. I would appreciate if you can waive the penalty fee of \$400 this time, since I am not financially prepared to face it right now.

I thank you in advance for your comprehension and look forward to your decision.
