Each director or officer, or former director or officer of this Corporation and his legal representatives, shall be indemnified by the Corporation against liabilities, expenses, counsel fees and costs reasonably incurred by him as a result of any action, suit, proceeding or claim in which he is made a part by reason of his being or having been such director or officer; and any person who, at the request of this Corporation, served as director or officer of another corporation in which this Corporation owned corporate stock, and his legal representative, shall in like manner be indemnified by this Corporation; provided, that in neither case shall the Corporation indemnify such director or officer with respect to any matters in which he shall be finally adjudged in any such action, suit, or proceeding to have been liable for negligence or misconduct in the performance of his duties as such director or officer. The indemnification herein provided for, however, shall apply also in respect to any amount paid in compromise of any such action, suit, or proceeding or claim asserted against such director or officer (including expenses, counsel fees and costs reasonably incurred in connection therewith), provided the Board of Directors shall have first approved such proposed compromise settlement and determined that the officer or director involved was not guilty of negligence or misconduct; but, in taking such action, any director involved shall not be qualified to vote thereon, and if for this reason a quorum of the Board cannot be obtained to vote on such matter, it shall be determined by a committee of three persons appointed by the shareholders at a duly called special meeting or a regular meeting. In determining whether a director or officer was guilty of negligence or misconduct in relation to any such matter, the Board of Directors or committee appointed by the shareholders, as the case may be, may rely conclusively upon an opinion of independent counsel selected by such Board or committee. The right of indemnification herein provided shall not be exclusive of any other rights to which such director or officer may be lawfully entitled.

ARTICLE XI

No holder of common shares of this Corporation shall be entitled of right to subscribe for, purchase or receive any part of any new or additional issue of stock of any class, whether now or hereafter authorized, or of any bonds, debenture, or other securities convertible into stock of any class, and all such additional shares of stock, bonds, debenture or other securities convertible into stock may be issued and disposed of by the Board of Directors to such person or persons and on such terms and for such consideration (so far as may be permitted by law) as the Board of Directors, in their absolute discretion, may deem advisable.
