Should such agreement be actively spread upon the minutes of the corporation at any meeting, then, and in that event, the Directors and Officers shall be bound by its terms, covenants and conditions of such agreement.

XI.

The Shareholders may enter into such agreements between themselves, provided they be in writing and signed by the Shareholders, which agreements may provide that in exercising any voting rights the shares held by them shall be voted as provided in the agreement. Any such agreement executed between the parties to which they all have actually assented may provide for the manner of management of the business, the division of profits, and any such other matters as the parties deem appropriate. To the extent that

such agreements may be executed, the Board of Directors shall be relieved from any liability for their acts or omissions to the extent and as long as the discretion or the powers of the Board of Directors in the management of the corporate affairs are controlled by such agreements.

XVI.

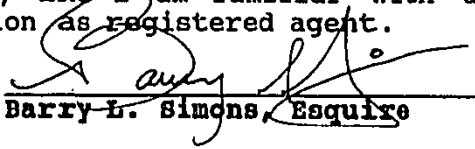

One Hundred percent (100%) of the shares entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of the shareholders. If a quorum is present, the affirmative vote of Fifty One percent (51%) of the shares represented at the meeting and entitled to vote on the subject matter shall be the act of the shareholders.
