To Whom it May Concern:

I formed my corporation in November of 1997. I have never had a corporation before, and was not aware of all the requirements of doing so. A short while ago I recieved a notice from your office stating that it was the second notice for my annual corporate report. I hired an accountant last week who informed me that I should have recieved a first notice several months ago. I never recieved this first notice. I am now sending the second notice with my check. I hope that you will see fit to forgive me for the late fee incurred, as I was not aware that this existed. I am now aware of this annual report and know now in the future, if I don't recieve an initial notice, to call your office and request one so that this does not occur again. Once again, I am very sorry for the mix up and I thank you in advance for your understanding in this matter.

Sincerely,

Monica Tunnell

President
