Re: Annual Business Report FEI #65-0801166

Dear Sirs:

I am writing this letter in regards to the delinquent filing of the "2000 Uniform Business Report". In times past it has been assumed that the various activities that occur on a monthly, quarterly and annual basis, have been not only handled, but handled timely. It has come to my attention that this is not the case, and we now must painstakingly re-trace steps to insure that these tasks are now completed.

I know that the mistakes of the past are of no consequence to the State, however, I respectfully request indulgence on the part of the State with regard to the penalties for our delinquent filing status. I humbly request abatement of the penalties and offer my promise that this delinquency will not occur again. Now that we are aware of the status and time sensitivity of these tasks, we have implemented a system to insure success of the timely filings in the future.

Thank you for any assistance you can offer in this matter. If any more information is needed, please contact me directly at (954) 922-7155.
