Re: 2001 UBR

The taxpayer delivered the 2001 UBR to me, his CPA, in January or February 2001. In the due course of our work (I'm sure I don't need to tell you about the workload for CPA's early in the year), this apparently had been in our files and overlooked by us. We make every effort to get everything done correctly and timely, and occasionally a mistake is made.

It appears we made a mistake here.

When we had done business federal and state tax returns (and extensions as needed), personal federal and state tax returns (and extensions as needed) and payroll tax returns as needed... all on or before April 30, 2001... apparently one more item was due May 1, 2001... which we are to blame for.

The taxpayer should not be held responsible for this error. Please accept the enclosed payment of \$150 as usual.

We regret the error, we know and understand the rules, and we have discussed this with the taxpayer in order to ensure that no such repeat will occur in the future.

Thank you for your cooperation and understanding.

Sincerely,

Douglas W. Williams, CPA
