Dear Sir:

re: **Document # P97000097923**

Upon receiving our second notice for the 2000 Uniform Business Report, it came to our notice that you did not receive our first returned report together with our check.

We did receive the first 2000 UBR and mailed it back to yourselves on April 5, 2000 together with our check # 1176 in the amount of \$150.00.

Only when we received the second notice, did I start looking into the problem and realized from our bank statements that the check has never been cashed. It appears that it was never received by your department.

We apologize for this happening, and believe it must have got lost in the postal system.

Today, July 27, 2000, I spoke with a lady in your department and she advised me to return the second report together with a new check for the original amount of **\$150.00**. We trust this will be satisfactory.

I have enclosed copies of our check stubs to show you the sequence of numbers of our checks, so that you can be assured that we indeed **did** send the first check in April.

Should you have any queries, please do no hesitate to contact myself.

Thanking you for your assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Cheryl Ambrose'.
