July 13, 1998

On April 21, I sent to you a cashier check of \$150.00 to renew the corporation. Apparently you did not receive the paper work and we could not find out until we received your second notice. If will be possible to renew at this time for the same fee, we will appreciate other wise please send back the cashier check. Please find copy of the cashier check issued on April 21. Thank you

Joao de Oliveira Neves
