Dear Sirs/Madams,

This letter is to explain the circumstances surrounding the notice for corporation renewal (Document # P97000103462). Upon recent receipt of this notice, I questioned the significantly higher than previous dollar figure being requested for my corporation annual renewal. After further examination, I realized that this was a "second notice" which prompted me to immediately phone the appropriate office. I explained that the "first notice" for renewal was never received and therefore would like the opportunity to renew our corporation at the "standard" renewal rate. I was instructed by Leslie at the Division of Corporations to write a letter explaining this situation as well as to include a check for the "original" renewal amount of \$150.00. As clearly demonstrated by our past renewals, we are prompt, as are we with the monthly Florida Sales Tax. Had we received the initial renewal request, we would have immediately sent in the paperwork with the amount due. We are a small, family business built on hard work, honesty, and integrity to ourselves, our customers, suppliers, and all others with which we deal. In addition, we are not in a position to unnecessarily squander the additional money that would be due as a result of negligence for tardy payment. It would therefore be greatly appreciated if this matter could be settled up and in a manner that would be fair to all parties involved.

I would like to personally like to thank you for your time and consideration.

Sincerely Yours,

Michael Levenberg
President
