Enclosed are Articles of Incorporation for the above corporation, together with my statement of acceptance of appointment as registered agent.

My office account check for \$78.75 is enclosed for the filing fee, designation of registered agent, and for a certificate of status. Please note that corporate existence does not begin until January 1, 1998; I assume the status certificate will not be issued until on or after that date.

If this entity will be required to file an annual report for 1998 even though its existence is delayed, then DO NOT FILE THE ARTICLES, and return them and the check and other enclosures to me.

Thank you for attending to this for me.

Very truly yours,

William Nussbaum
