ARTICLE I
Name

The name of the corporation is System One Services, Inc.

ARTICLE II

Article III of the Corporation's Articles of Incorporation is deleted, and the following, in its entirety, is inserted:

"ARTICLE III
Capital Shares

The total number of shares that the Corporation shall have authority to issue is Twenty-Five Million (25,000,000), consisting of Twenty-Three Million (23,000,000) common shares, having a par value of one cent (\$.01) per share (the "Common Shares"), and Two Million (2,000,000) preferred shares having a par value of one cent (\$.01) per share (the "Preferred Shares").

The Board of Directors of the Corporation (the "Board of Directors") is authorized, subject to the limitations prescribed by law and this Article III, to provide for the issuance of shares of Preferred Shares in series, and by filing an Amendment to these Amended and Restated Articles of Incorporation pursuant to applicable law of the State of Florida, to establish from time to time the number of shares to be included in such series, and to fix the designations, powers, preferences and rights of the shares of each such series and any qualifications, limitations, or restrictions thereof, all as shall hereinafter be stated and expressed in the Amendment or Amendments to the Amended and Restated Articles of Incorporation adopted by the Board of Directors providing for the issuance of Preferred Shares from time to time.

Redeemable Preferred Shares" (hereinafter referred to as "Series A Preferred"), and the number of authorized shares constituting Series A Preferred is 341,463. The shares of Series A Preferred shall only be issued in connection with the consummation of the transactions contemplated by the Share Purchase Agreement dated as of September 4, 1997, by and among the Corporation, the shareholders of the Corporation and ABS Capital Partners II, L.P. (the "1997 Purchase Agreement") and the Share Purchase Agreement dated as of August 28, 1998, by and among the Corporation and ABS Capital Partners, II, L.P. (the "1998 Purchase Agreement").

1B. Restrictions on Reissuance. All shares of Series A Preferred redeemed, purchased or otherwise acquired by the Corporation shall be retired and cancelled and shall be restored to the status of authorized but unissued Preferred Shares, without designation as to series, and may thereafter be issued, but not as shares of Series A Preferred.

1C. Stated Value Per Share. The Stated Value Per Share of the Series A Preferred shall be \$10.25.

1D. Rank. The Series A Preferred shall, with respect to rights upon liquidation, winding up or dissolution, rank (i) junior to any other series of Preferred Shares duly established by the Board of Directors of the Corporation, with the consent of the holders of Series A Preferred pursuant to Section 11 of this Article III(A), the terms of which shall specifically provide that such series shall rank prior to the Series A Preferred, whether now existing or hereafter created (for purposes of this Article III(A), the "Senior Preferred Shares"), (ii) on a parity with any other series of Preferred Shares duly established by the Board of Directors of the Corporation, with the consent of the holders of Series A Preferred pursuant to Section 11 of this Article III(A), the terms of which shall specifically provide that such series shall rank on a parity with the Series A Preferred, whether now existing or hereafter created (for purposes of this Article III(A), the "Parity Preferred Shares"), including without limitation, the Series B Redeemable Preferred Shares of the Corporation, \$.01 par value per share (the "Series B Preferred"), and (iii) prior to any other class or series of capital shares of the Corporation, including, without limitation, all classes of the Common Shares of the Corporation, par value \$.01 per share, whether now existing or hereafter created (the "Common Shares"; all of such classes or series of capital shares of the Corporation to which the Series A Preferred ranks prior, including without limitation the Common Shares, and including, without limitation, junior securities convertible into or exchangeable for other junior securities or phantom shares representing junior securities, are collectively referred to in this Article III(A) as "Junior Securities").

Section 2. Dividends. Each holder of shares of Series A Preferred shall be entitled to receive, when and as declared by the Board of Directors, if at all, dividends on a parity with each holder of Common Shares. Such dividends shall be payable per share of Series A Preferred in an amount equal to the dividends per share payable on the number of Common Shares into which each share of Series A Preferred would be convertible under Section 5 of this Article III(A) on the record date for determining eligibility to receive such dividends, or if no record date is established, on the date such dividends are actually paid.

Section 3. Liquidation.

3A. Liquidation Distribution. In the event of any dissolution, liquidation or winding up of the Corporation, whether voluntary or involuntary (a "Liquidation"), the holders of shares of Series

A Preferred shall be entitled to receive out of the assets of the Corporation legally available for distribution to shareholders (whether representing capital or surplus), before any payment or distribution shall be made on the Common Shares or any other Junior Securities, and on a parity with payment or distribution on the Series B Preferred or any other Parity Preferred Shares (but after distribution of such assets among, or payment thereof over to, creditors of the Corporation and to holders of any Senior Preferred Shares), the greater of:

(1) an amount per share (the "Adjusted Liquidation Preference") equal to \$10.25 plus the product of five sixths ($5/6$) of the aggregate Series A Preferred holders' total investment in equity securities of the Corporation pursuant to the 1997 Purchase Agreement (whether paid to the Corporation or otherwise) divided by the number of shares of Series A Preferred outstanding immediately prior to the date of Liquidation less the aggregate proceeds received by Series A Preferred holders from the sale of equity securities of the Corporation prior to date of Liquidation divided by the number of shares of Series A Preferred outstanding immediately prior to date of Liquidation; or

(2) for each holder of Series A Preferred an amount per share equal to the proceeds in liquidation that the holder of Series A Preferred would have received in respect of all Common Shares owned by such holder (assuming that all shares of the holder's Series A Preferred had been converted into Common Shares in accordance with Section 5 of this Article III(A) immediately prior to the Liquidation), divided by the number of shares of Series A Preferred Shares owned by such holder immediately prior to the date of the Liquidation.

Notwithstanding the foregoing, if the assets distributable upon a Liquidation shall be insufficient to pay in full the amount of the Series A Preferred Liquidation preference and any amount payable to the holders of Parity Preferred Shares, then all of the assets available after payment of any amounts payable on Senior Preferred Shares shall be distributed among the holders of Series A Preferred and Parity Preferred Shares ratably in proportion to the respective amounts of the assets to which they would otherwise be entitled. After the liquidation distribution pursuant to this Article III(A), Section 3A has been made to the holders of shares of Series A Preferred, such holders shall not be entitled to any further participation in any distribution of assets of the Corporation in respect of shares of Series A Preferred or Common Shares owned by such holders.

3B. Reorganization Event and Sale Distribution. The merger or consolidation of the Corporation with or into another corporation, a merger or consolidation of any other corporation with or into the Corporation or the sale, conveyance, exchange or transfer of all or substantially all of the property or assets of the Corporation, as a result of which beneficial ownership of more than 25% of the voting equity securities or assets of the Corporation would change (any such event, a "Reorganization Event"), shall, at the option of the holders of a majority of the shares of the Series A Preferred then outstanding, be deemed to be a liquidation (a "Reorganization Event Liquidation") and in such case the holders of shares of Series A Preferred shall be entitled to receive, before any payment or distribution shall be made to the holders of Common Shares or any other Junior Securities, and on a parity with payment or distribution to holders of the Parity Preferred Shares (but after payment or distribution to creditors of the Corporation and to holders of any Senior Preferred Shares) an amount per share equal to the greater of:

(1) the Adjusted Liquidation Preference (substituting the date of the Reorganization Event for the date of Liquidation); or

(2) for each holder of Series A Preferred, the proceeds that the holder of Series A Preferred would have received as a result of the Reorganization Event Liquidation in respect of all Common Shares owned by such holder (assuming that all shares of the holder's Series A Preferred had been converted into Common Shares in accordance with Section 5 of this Article III(A) immediately prior to the Reorganization Event), divided by the number of shares of Series A Preferred owned by such holder immediately prior to the Reorganization Event.

Notwithstanding the foregoing, if the assets distributable upon a Reorganization Event Liquidation shall be insufficient to pay in full the amount of the Series A Preferred Reorganization Event Liquidation preference and any amount payable to the holders of Parity Preferred Shares, all of the assets available after payment of any amount payable on Senior Preferred Shares shall be distributed among the holders of Series A Preferred and Parity Preferred Shares ratably in proportion to the respective amount of the assets to which they would otherwise be entitled. After the liquidation distribution pursuant to this Article III(A), Section 3B has been made to the holders of shares of Series A Preferred, such holders shall not be entitled to any further participation in any distribution of assets of the Corporation in respect of shares of Series A Preferred or Common Shares owned by such holders.

Section 4. Voting Rights. The holders of the Series A Preferred shall be entitled to notice of all shareholders meetings in accordance with the Corporation's bylaws, and except as otherwise required by law, the holders of Series A Preferred shall be entitled to vote on all matters submitted to the shareholders for a vote together with the holders of Common Shares, and each share of Series A Preferred (including fractional shares) shall be entitled to one vote for each whole (and fractional) Common Share that would be issuable upon conversion of such share on the record date for determining eligibility to participate in the action being taken. In addition to any other rights provided by law, the consent of a majority of the shares of Series A Preferred then outstanding, in the aggregate and voting separately as a single class, shall be required prior to any amendment to the Corporation's articles of incorporation or by-laws which would adversely affect the rights, preferences or privileges of the Series A Preferred or for any action for which such consent is required pursuant to Section 11 of this Article III(A).

Section 5. Optional Conversion.

5A. General. Any time and from time to time after the issuance thereof, any holder of Series A Preferred may convert all or any of the shares of Series A Preferred held by such holder into the number of Common Shares that results from dividing the Conversion Price in effect on the date of conversion into the Stated Value Per Share for each share of Series A Preferred being converted. The Conversion Price shall initially be \$10.25 per share, and the Conversion Price from time to time in effect is subject to adjustment as hereinafter provided.

5B. Conversion Procedure.

(i) Any holder of shares of Series A Preferred desiring to convert any portion thereof into Common Shares shall surrender each certificate representing one or more shares of such

Series A Preferred to be converted, duly endorsed in favor of the Corporation or in blank and accompanied by proper instruments of transfer, at the principal business office of the Corporation (or such other place as may be designated by the Corporation), and shall give written notice to the Corporation at that office of its election to convert the same, setting forth therein the name or names (with the address or addresses) in which the Common Shares are to be issued.

(ii) As soon as possible after a conversion has been effected (but in any event within three business days in the case of subparagraph (a) below), the Corporation shall deliver to the converting holder:

- (a) a certificate or certificates representing the number of Common Shares issuable by reason of such conversion in such name or names and such denomination or denominations as the converting holder has specified; and
- (b) a certificate representing any shares of Series A Preferred which were represented by the certificate or certificates delivered to the Corporation in connection with such conversion but which were not converted.

(iii) The issuance of certificates for Common Shares upon conversion of Series A Preferred shall be made without charge to the holders of such Series A Preferred for any issuance tax in respect thereof or other cost incurred by the Corporation in connection with such conversion and the related issuance of Common Shares.

(iv) The Corporation shall not close its books against the transfer of Series A Preferred or of Common Shares issued or issuable upon conversion of Series A Preferred in any manner which interferes with the timely conversion of Series A Preferred. The Corporation shall assist and cooperate (but the Corporation shall not be required to expend substantial efforts or funds) with any holder of Series A Preferred required to make any governmental filings or obtain any governmental approval prior to or in connection with any conversion of shares of Series A Preferred hereunder (including, without limitation, making any filings required to be made by the Corporation).

(v) The Corporation shall at all times reserve and keep available out of its authorized but unissued Common Shares, solely for the purpose of issuance upon the conversion of the Series A Preferred, not less than the number of Common Shares issuable upon the conversion of all outstanding Series A Preferred that may then be exercised. All Common Shares which are so issuable shall, when issued, be duly and validly issued, fully paid and nonassessable and free from all taxes, liens and charges. The Corporation shall take all such actions as may be necessary to ensure that all such Common Shares may be so issued without violation of any applicable law or governmental regulation or any requirements of any domestic securities exchange upon which Common Shares may be listed (except for official notice of issuance which shall be immediately delivered by the Corporation upon each such issuance).

5C. Subdivision or Combination of Common Shares. If the Corporation at any time subdivides (by any share split, share dividend, recapitalization or otherwise) the outstanding shares of one or more classes of Common Shares into a greater number of shares, the Trigger Price (as defined below) and the Conversion Price in effect immediately prior to such increase shall be proportionately reduced to account for such subdivision, and if the Corporation at any time combines (by reverse share split or otherwise) the outstanding shares of one or more classes of Common Shares into a smaller number of shares, the Conversion Price in effect immediately prior to such combination shall be proportionately increased.

5D. Adjustment of Price Upon Issuance of Common Shares. If the Corporation shall issue or sell, or is, in accordance with Sections 5D(i) through 5D(vii) of this Article III(A), deemed to have issued or sold, any Common Shares for a consideration per share less than a trigger price, which shall initially be \$8.25 per share and shall be adjusted as set forth in this Article III(A), Section 5D (the "Trigger Price"), immediately prior to the time of such issue or sale (except for (A) shares issued in connection with the conversion of Series A Preferred, (B) shares issued in connection with the exercise of warrants issued to ABS Capital Partners II, L.P. pursuant to the terms of the 1998 Purchase Agreement, (C) issuances or deemed issuances of Common Shares to officers, directors or employees under any share option plan, share purchase plan or other equity incentive plan in an amount and under terms approved by a majority of all of the members of the Board of Directors, and (D) shares issued in connection with the exercise of warrants issued to investors as part of the Corporation's anticipated private placement of \$18,000,000 Senior Subordinated Notes and Detachable Warrants, for which the Corporation has retained BT Alex. Brown Incorporated to act as placement agent pursuant to an engagement letter dated July 31, 1998) (a "Dilutive Event") during the period up to and including two (2) years of the date of closing under the 1997 Purchase Agreement, then, forthwith upon such issue or sale, the Conversion Price and the Trigger Price shall be reduced to the price at which the Corporation issued or sold, or is deemed to have issued or sold, such Common Shares. If the Corporation issues or sells or is deemed to have issued or sold any Common Shares in a Dilutive Event after the two (2) year anniversary of the date of closing under the 1997 Purchase Agreement, then, upon such issue or sale, the Conversion Price and the Trigger Price shall be reduced to an amount determined by *multiplying* the Conversion Price and the Trigger Price in effect immediately before the issuance or sale by a fraction, the numerator of which is the number of Common Shares that are Outstanding on an As-Converted Basis (as defined below) immediately before the Dilutive Event *plus* the number of Common Shares that could be purchased at the Trigger Price at the time of the Dilutive Event for the aggregate consideration paid or payable upon the sale or issuance of Common Shares in the Dilutive Event, and the denominator of which is the number of Common Shares that are Outstanding on an As-Converted Basis immediately before the Dilutive Event *plus* the number of shares that are acquired or to be acquired upon the sale or issuance of the Common Shares in the Dilutive Event. For purposes of this paragraph, "Outstanding on an As-Converted Basis" immediately before the Dilutive Event means the *sum of* (i) all Common Shares issued and outstanding immediately before the Dilutive Event *plus* (ii) all Common Shares that would be issued if all Series A Preferred were converted hereunder immediately before the Dilutive Event.

For purposes of this Section 5D of Article III(A), and except as otherwise provided in the preceding paragraph, the following subparagraphs (i) to (vii) shall also be applicable:

- (i) Issuance of Rights or Options. In case at any time the Corporation shall in any manner grant (whether directly or by assumption in a merger or otherwise) any

warrants or other rights to subscribe for or to purchase, or any options for the purchase of, Common Shares or any shares or security convertible into or exchangeable for Common Shares (such warrants, rights or options being called "Options" and such convertible or exchangeable shares or securities being called "Convertible Securities") whether or not such Options or the right to convert or exchange any such Convertible Securities are immediately exercisable, and the price per share for which Common Shares are issuable upon the exercise of such Options or upon the conversion or exchange of such Convertible Securities (determined by dividing (a) the total amount, if any, received or receivable by the Corporation as consideration for the granting of such Options, plus the minimum aggregate amount of additional consideration payable to the Corporation upon the exercise of all such Options, plus, in the case of such Options which relate to Convertible Securities, the minimum aggregate amount of additional consideration, if any, payable upon the issue or sale of such Convertible Securities and upon the conversion or exchange thereof, by (b) the total maximum number of Common Shares issuable upon the exercise of all such Options or upon the conversion or exchange of all such Convertible Securities issuable upon the exercise of such Options) shall be less than the applicable Trigger Price for the Series A Preferred immediately prior to the time of the granting of such Options or Convertible Securities, then the total maximum number of Common Shares issuable upon the exercise of such Options or upon conversion or exchange of the total maximum amount of such Convertible Securities issuable upon the exercise of such Options shall be deemed to have been issued for such price per share as of the date of granting of such Options or the issuance of such Convertible Securities and thereafter shall be deemed to be outstanding. Except as otherwise provided in subparagraph (iii), no adjustment of any Conversion Price or Trigger Price shall be made upon the actual issue of such Common Shares or of such Convertible Securities upon exercise of such Options or upon the actual issue of such Common Shares upon conversion or exchange of such Convertible Securities.

(ii) Issuance of Convertible Securities. In case the Corporation shall in any manner issue (whether directly or by assumption in a merger or otherwise) or sell any Convertible Securities, whether or not the rights to exchange or convert any such Convertible Securities are immediately exercisable, and the price per share for which Common Shares are issuable upon such conversion or exchange (determined by dividing (a) the total amount received or receivable by the Corporation as consideration for the issue or sale of such Convertible Securities, plus the minimum aggregate amount of additional consideration, if any, payable to the Corporation upon the conversion or exchange thereof, by (b) the total maximum number of Common Shares issuable upon the conversion or exchange of all such Convertible Securities) shall be less than the applicable Trigger Price for the Series A Preferred immediately prior to the time of such issue or sale, then the total maximum number of Common Shares issuable upon conversion or exchange of all such Convertible Securities shall be deemed to have been issued for such price per share as of the date of the issue or sale of such Convertible Securities and thereafter shall be deemed to be outstanding, provided that except as otherwise provided in subparagraph (iii), no adjustment of any Conversion Price or Trigger Price shall be made upon the actual issue of such Common Shares upon conversion or exchange of such Convertible Securities and if any such issue or sale of such Convertible Securities is made upon exercise of any

Options to purchase any such Convertible Securities for which adjustments of any Conversion Price or Trigger Price have been or are to be made pursuant to other provisions of this Section 5D of Article III(A), no further adjustment of such Conversion Price or Trigger Price shall be made by reason of such issue or sale.

(iii) Change in Option Price or Conversion Rate. Upon the happening of any of the following events, namely, if the purchase price provided for in any Option referred to in subparagraph (i), the additional consideration, if any, payable upon the conversion or exchange of any Convertible Securities referred to in subparagraph (i) or (ii), or the rate at which Convertible Securities referred to in subparagraph (i) or (ii) are convertible into or exchangeable for Common Shares shall change at any time (including, but not limited to, changes under or by reason of provisions designed to protect against dilution), the applicable Conversion Price and Trigger Price for the Series A Preferred at the time of such event shall forthwith be readjusted to the Conversion Price and Trigger Price which would have been in effect at such time had such Options or Convertible Securities still outstanding provided for such changed purchased price, additional consideration or conversion rate, as the case may be, at the time initially granted, issued or sold, but only if as a result of such adjustment the Conversion Price and Trigger Price then in effect hereunder are thereby reduced; and on the expiration of or exchange of such Convertible Securities, the Conversion Price and Trigger Price then in effect hereunder shall forthwith be increased to the Conversion Price and Trigger Price which would have been in effect at the time of such expiration or termination had such Option or Convertible Securities, to the extent outstanding immediately prior to such expiration or termination, never been issued.

(iv) Share Dividends. In case the Corporation shall declare a dividend or make any other distribution upon any shares of the Corporation payable in Common Shares (except for dividends or distributions upon Common Shares), Options or Convertible Securities, any Common Shares, Options or Convertible Securities, as the case may be, issuable in payment of such dividend or distribution shall be deemed to have been issued or sold at a consideration equal to \$.01 per share.

(v) Consideration for Shares. In case any Common Shares, Options or Convertible Securities shall be issued or sold for cash, the consideration received therefor shall be deemed to be the amount received by the Corporation therefor, without deduction therefrom of any expenses incurred or any underwriting commissions or concessions paid or allowed by the Corporation in connection therewith. In case any Common Shares, Options or Convertible Securities shall be issued or sold for a consideration other than cash, the amount of the consideration other than cash received by the Corporation shall be deemed to be the fair value of such consideration as determined in good faith by the Board of Directors of the Corporation, without deduction of any expenses incurred or any underwriting commissions or concessions paid or allowed by the Corporation in connection therewith. In case any Options shall be issued in connection with the issue and sale of other securities of the Corporation, together comprising one integral transaction in which no specific consideration is allocated to such Options by the parties thereto,

such Options shall be deemed to have been issued for such consideration as determined in good faith by the Board of Directors of the Corporation.

(vi) Record Date. In case the Corporation shall take a record of the holders of its Common Shares for the purpose of entitling them (a) to receive a dividend or other distribution payable in Common Shares, Options or Convertible Securities or (b) to subscribe for or purchase Common Shares Options or Convertible Securities, then such record date shall be deemed to be the date of the issue or sale of the Common Shares deemed to have been issued or sold upon the declaration of such dividend or the making of such other distribution or the date of the granting of such right of subscription or purchase, as the case may be.

(vii) Treasury Shares. The disposition of any Common Shares owned or held by or for the account of the Corporation shall be considered an issue or sale of Common Shares for the purpose of this Article III(A), Section 5D.

5E. Notices.

(i) Immediately upon any adjustment of the Conversion Price or Trigger Price, the Corporation shall give written notice thereof to all holders of Series A Preferred, setting forth in reasonable detail and certifying the calculation of such adjustment.

(ii) The Corporation shall give written notice to all holders of Series A Preferred at least 20 days prior to the date on which the Corporation closes its books or fixes a record date (a) with respect to any dividend or distribution upon Common Shares, (b) with respect to any pro rata subscription offer to holders of Common Shares or (c) for determining rights to vote with respect to any Liquidation or Reorganization Event.

Section 6. Mandatory Conversion. Each share of Series A Preferred shall automatically be converted into Common Shares at the then effective Conversion Price upon the closing of the first public sale of the Common Shares of the Corporation pursuant to an effective registration statement under the Securities Act of 1933, as amended, for the account of the Corporation resulting in net proceeds to the Corporation of not less than Twenty Million Dollars (\$20,000,000) and in which the public offering price per share is greater than or equal to \$14.00, adjusted for subsequent share splits, share dividends and the like (in the event of which offering, the person(s) entitled to receive the Common Shares issuable upon such conversion of the Series A Preferred shall not be deemed to have converted that Series A Preferred until immediately prior to the closing of such offering).

Section 7. Redemption.

7A. Optional Redemption. Any holder of the Series A Preferred may, by written notice to the Corporation, require the redemption of all of the shares of Series A Preferred owned by such holder at a redemption price per share, payable in cash, equal to \$13,500,000.00 divided by the number of shares of Series A Preferred outstanding immediately prior to the date of redemption, less the aggregate proceeds received by Series A Preferred holders from the sale of equity securities of the Corporation prior to the date of redemption divided by the number of shares of Series A Preferred outstanding immediately prior to the date of redemption (for purposes of this Article III(A), the "Redemption Price") at any time following the earlier to occur of the following: (i) the closing of an underwritten public offering pursuant to an effective registration statement under the Securities Act

of 1933, as amended, covering the offer and sale of the capital stock of System One Technical, Inc. (the "Subsidiary"); (ii) the involuntary dissolution, liquidation, or winding up of the Subsidiary; (iii) the merger or consolidation of the Subsidiary with or into another corporation, a merger or consolidation of any other corporation with or into the Subsidiary or the sale, conveyance, exchange, or transfer of all or substantially all of the property or assets of the Subsidiary, as a result of which beneficial ownership of more than 25% of the voting equity securities or assets of the Subsidiary would change; or (iv) September 11, 2000, provided that upon the occurrence of any such redemption pursuant to the procedures set forth in Section 7B of Article III(A), the holder of shares of Series A Preferred requesting such redemption shall sell all shares of Common Shares owned by such holder to the Corporation, together with Eighty Four Thousand Three Hundred Twenty Eight (84,328) Common Shares underlying Warrants held by such holder, at a price of One Cent (\$.01) per share.

7B. Redemption Payment. The Corporation shall pay the Redemption Price for the shares of Series A Preferred required to be redeemed in any notice within ten (10) days after the date of such notice (for purposes of this Article III(A), the "Redemption Date"). If the funds of the Corporation legally available for payment of the Redemption Price on any Redemption Date are insufficient to pay the Redemption Price for the total number of shares of Series A Preferred to be redeemed on such date, those funds which are legally available shall be used to redeem the maximum possible number of such shares ratably based upon the number of outstanding shares of Series A Preferred. At any time thereafter when additional funds of the Corporation are legally available for the redemption of the Series A Preferred, such funds shall immediately be used to redeem the balance of the shares of Series A Preferred that the Corporation has become obligated to redeem on any Redemption Date but which it has not redeemed, or in the event any person other than the Corporation is the surviving or resulting corporation in any Reorganization Event that the holders of the Series A Preferred have elected to treat as a Reorganization Event Liquidation in accordance with Section 3 of this Article III(A), such person shall, upon consummation of such Reorganization Event, redeem such balance of Series A Preferred shares (and the Corporation shall so provide in its agreements with such person relating to such Reorganization Event).

7C. Dividends After Redemption Date. No share of Series A Preferred that is redeemed is entitled to any dividends accruing after the Redemption Date. On the Redemption Date of any share of Series A Preferred, all right of the holder of such share shall cease, and such share shall be deemed to be no longer outstanding, so long as the Redemption Price therefor is paid.

Section 8. Purchase Rights. If at any time the Corporation grants, issues or sells any options, convertible securities or rights to purchase shares, warrants, securities or other property ("Purchase Rights") pro rata to the record holders of any class of Common Shares, then each holder of Series A Preferred shall be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which such holder would have acquired if such holder had held the number of shares of Common Shares acquirable upon conversion of such holder's shares of Series A Preferred immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of Common Shares are to be determined for the grant, issue or sale of such Purchase Rights.

Section 9. Registration of Transfer. The Corporation shall keep at the office of the secretary of the Corporation a register for the registration of issuances and transfers of Series A Preferred. Upon the surrender of any certificate representing Series A Preferred at such place, the

Corporation shall, at the request of the record holder of such certificate, execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange therefor representing in the aggregate the number of shares of Series A Preferred represented by the surrendered certificate. Each such new certificate shall be registered in such name and shall represent such number of shares of Series A Preferred as is requested by the holder of the surrendered certificate and shall be substantially identical in form to the surrendered certificate, and dividends shall accrue on the Series A Preferred represented by such new certificate from the date to which dividends have been fully paid on such Series A Preferred represented by the surrendered certificate.

Section 10. Replacement. Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered holder shall be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Series A Preferred, and in the case of any such loss, theft or destruction, upon receipt of indemnity reasonably satisfactory to the Corporation (provided that if the holder is a financial institution or other institutional investor, its own agreement shall be satisfactory), or, in the case of any such mutilation upon surrender of such certificate, the Corporation shall (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of Series A Preferred represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate, and dividends shall accrue on the Series A Preferred represented by such new certificate from the date to which dividends have been fully paid on the shares of Series A Preferred represented by such lost, stolen, destroyed or mutilated certificate.

Section 11. Amendment and Waiver. No amendment, modification or waiver shall be binding or effective with respect to any provision of this Article III(A) without the prior affirmative vote or written consent of the holders of a majority of the shares of Series A Preferred outstanding at the time such action is taken; provided, however, that in addition to the actions requiring such a vote pursuant to Section 4 of this Article III(A), the prior affirmative vote or written consent of holders of a majority of the shares of Series A Preferred then outstanding, in the aggregate and voting separately as a single class, shall be required prior to the authorization or issuance of any class of Senior Preferred Shares or Parity Preferred Shares or any action which shall change (i) any Conversion Rate, Conversion Price or Trigger Price of the Series A Preferred or the number of shares or class of shares into which the Series A Preferred is convertible; (ii) the Stated Value Per Share of the Series A Preferred; (iii) the rights of the Series A Preferred upon a Reorganization Event; (iv) the voting rights of the Series A Preferred; (v) the provisions for mandatory conversion of the Series A Preferred; (vi) the rights of holders of the Series A Preferred to acquire Purchase Rights, or (vii) the percentage required to approve any change in this Article III(A), Section 11.

Section 12. Notices. Except as otherwise expressly provided hereunder, all notices referred to herein shall be in writing and shall be delivered by registered or certified mail, return receipt requested and postage prepaid, or by reputable overnight courier service, charges prepaid, and shall be deemed to have been given when so mailed or sent (i) to the Corporation, at its principal executive offices and (ii) to any shareholder, at such holder's address as it appears in the share records of the Corporation (unless otherwise indicated by any such holder).

(b) Series B Redeemable Preferred Shares.

The following sections set forth the powers, rights and preferences, and the qualifications, limitations and restrictions thereof, of the Corporation's Series B Redeemable Preferred Shares.

Section 1. Designation and Amount.

1A. Number of Shares. The designation of the series of Preferred Shares of the Corporation, par value \$.01 per share, provided for herein shall be "Series B Redeemable Preferred Shares" (hereinafter referred to as "Series B Preferred"), and the number of authorized shares constituting Series B Preferred is 20,000. The shares of Series B Preferred shall only be issued in connection with the consummation of the transactions contemplated by the 1998 Purchase Agreement

1B. Restrictions on Reissuance. All shares of Series B Preferred redeemed, purchased or otherwise acquired by the Corporation shall be retired and cancelled and shall be restored to the status of authorized but unissued Preferred Shares, without designation as to series, and may thereafter be issued, but not as shares of Series B Preferred.

1C. Stated Value Per Share. The Stated Value Per Share of the Series B Preferred shall be One Hundred Dollars (\$100.00).

1D. Rank. The Series B Preferred shall, with respect to rights upon liquidation, winding up or dissolution rank (i) junior to any other series of Preferred Shares duly established by the Board of Directors of the Corporation, with the consent of the holders of Series B Preferred pursuant to Section 8 of this Article III(B), the terms of which shall specifically provide that such series shall rank prior to the Series B Preferred, whether now existing or hereafter created (for purposes of this Article III(B), the "Senior Preferred Shares"), (ii) on a parity with any other series of Preferred Shares duly established by the Board of Directors of the Corporation, with the consent of the holders of the Series B Preferred pursuant to Section 8 of this Article III(B), the terms of which shall specifically provide that such series shall rank on a parity with the Series B Preferred, whether now existing or hereafter created (for purposes of this Article III(B), the "Parity Preferred Shares"), including, without limitation, the Series A Preferred, and (iii) prior to any other class or series of capital shares of the Corporation, including, without limitation, all classes of Common Shares; all of such classes or series of capital shares of the Corporation to which the Series B Preferred ranks prior, including without limitation the Common Shares, and including, without limitation, junior securities convertible into or exchangeable for other junior securities or phantom stock representing junior securities, are collectively referred to in this Article III(B) as "Junior Securities").

Section 2. Dividends. The holders of Series B Preferred shall not be entitled to receive dividends.

Section 3. Liquidation.

In the event of any dissolution, liquidation or winding up of the Corporation, whether voluntary or involuntary (a "Liquidation") or any Reorganization Event that the holders of Series A Preferred have elected to treat as a Reorganization Event Liquidation in accordance with Section 3 of Article III(A), the holders of shares of Series B Preferred shall be entitled to receive out of the assets of the Corporation legally available for distribution to shareholders (whether representing capital or surplus), before any payment or distribution shall be made on the Common Shares or any other Junior Securities, and on a parity with payment or distribution on the Series A Preferred or any other Parity Preferred Shares (but after distribution of such assets among, or payment thereof over to, creditors of the Corporation and to holders of any Senior Preferred Shares), cash in the amount of the

Stated Value Per Share.

Notwithstanding the foregoing, if the assets distributable upon a Liquidation or a Reorganization Even Liquidation, as the case may be, shall be insufficient to pay in full the amount of the Series B Liquidation or Reorganization Event Liquidation preference, as the case may be, and any amount payable to holders of Parity Preferred Shares, then all of the assets available after payment of any amounts payable on Senior Preferred Shares shall be distributed among the holders of Series B Preferred and Parity Preferred Shares ratably in proportion to the respective amounts of the assets to which they would otherwise be entitled. After the liquidation distribution pursuant to this Article III(B), Section 3 has been made to the holders of Series B Preferred, such holders shall not be entitled to any further participation in any distribution of assets of the Corporation in respect of shares of Series B Preferred.

Section 4. Voting Rights.

Except as otherwise required by law, the holders of Series B Preferred shall not be entitled to vote on any matters submitted to the Corporation's shareholders for decision at any annual or special meeting of the shareholders of the Corporation, except that the consent of a majority of the shares of Series B Preferred then outstanding, in the aggregate and voting separately as a single class, shall be required prior to any amendment of the Corporation's articles of incorporation or by-laws which would adversely affect the rights, preferences or privileges of the Series B Preferred or for any action for which such consent is required pursuant to Section 8 of this Article III(B).

Section 5. Redemption.

5A. Mandatory Redemption. Upon the earlier of (i) the issuance of subordinated debt securities of the Corporation in an aggregate principal amount Fifteen Million (\$15,000,000) or greater, or (ii) one year from the date of closing under the 1998 Purchase Agreement, each share of Series B Preferred shall be automatically redeemed by the Corporation at a redemption price per share payable in cash equal to the Stated Value Per Share (for purposes of this Article III(B), the Redemption Price).

5B. Redemption Payment. The Corporation shall pay the Redemption Price for the shares of Series B Preferred required to be redeemed in any notice within ten (10) days after the date of such notice (for purposes of this Article III(B), the "Redemption Date"). If the funds of the Corporation legally available for payment of the Redemption Price of Series B Preferred on any Redemption Date are insufficient to pay the Redemption Price for the total number of shares of Series B Preferred to be redeemed on such date, those funds which are legally available shall be used to redeem the maximum possible number of such shares ratably based upon the number of outstanding shares of Series B Preferred. At any time thereafter when additional funds of the Corporation are legally available for the redemption of the Series B Preferred, such funds shall immediately be used to redeem the balance of the shares of Series B Preferred that the Corporation has become obligated to redeem on any Redemption Date but which it has not redeemed, or in the event any person other than the Corporation is the surviving or resulting corporation in any Reorganization Event that the holders of the Series B Preferred have elected to treat as a Reorganization Event Liquidation in accordance with Section 3 of Article III(A), such person shall, upon consummation of such Reorganization Event, redeem such balance of Series B Preferred shares (and the Corporation shall so provide in its agreements with such person relating to such Reorganization Event).

Section 6. Registration of Transfer.

The Corporation shall keep at the office of the secretary of the Corporation a register for the registration of issuances and transfers of Series B Preferred. Upon the surrender of any certificate representing Series B Preferred at such place, the Corporation shall, at the request of the record holder of such certificate, execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange therefor representing in the aggregate the number of shares of Series B Preferred represented by the surrendered certificate. Each such new certificate shall be registered in such name and shall represent such number of shares of Series B Preferred as is requested by the holder of the surrendered certificate and shall be substantially identical in form to the surrendered certificate.

Section 7. Replacement.

Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered holder shall be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Series B Preferred, and in the case of any such loss, theft or destruction, upon receipt of indemnity reasonably satisfactory to the Corporation (provided that if the holder is a financial institution or other institutional investor, its own agreement shall be satisfactory), or, in the case of any such mutilation upon surrender of such certificate, the Corporation shall (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of Series B Preferred represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

Section 8. Amendment and Waiver.

No amendment, modification or waiver shall be binding or effective with respect to any provision of this Article III(B) without the prior affirmative vote or written consent of the holders of a majority of the shares of Series B Preferred outstanding at the time such action is taken; provided, however, that in addition to the actions requiring such a vote pursuant to Section 4 of this Article III(B), the prior affirmative vote or written consent of holders of a majority of the shares of Series B Preferred then outstanding, in the aggregate and voting separately as a class, shall be required prior to the authorization or issuance of any class of Senior Preferred Shares or Parity Preferred Shares or any action which shall change (i) the Stated Value Per Share of the Series B Preferred; (ii) the rights of the Series B Preferred upon a Reorganization Event; or (iii) the percentage required to approve any change in this Article III(B), Section 8.

Section 9. Notices.

Except as otherwise expressly provided hereunder, all notices referred to herein shall be in writing and shall be delivered by registered or certified mail, return receipt requested and postage prepaid, or by reputable overnight courier service, charges prepaid, and shall be deemed to have been given when so mailed or sent (i) to the Corporation, at its principal executive offices and (ii) to any shareholder, at such holder's address as it appears in the share records of the Corporation (unless otherwise indicated by any such holder)."
