June 5, 2000

I spoke with a member of your staff about 10 days ago. I was told because the FEI Number was not on the 1999 Corp. Annual Report we were rejected and mailed back. The address was incorrect and the rejection notice was returned to your office. I did not receive and was not able to make the correction. You deposited our check dated 8/31/99 check # 5299. I have enclosed a copy of the aboved mentioned check showing that it you deposited it which made our report good for one year.

I resubmitted the documentation to your office around June 16, 2000. It was returned because of the amount of funds.

I know the address was wrong on the letter I sent you but I did put a phone number on it so if you needed to reach our company we could be reached. No one tried to reach us concerning the missing information on line 4. The address was correct on the envelope that the check came in.

I am resending the paperwork on A1A Ventures with a copy of the check from 99 plus a check for 2000. I hope this will speed up the paper processing and be able to get this company back on line as well as Jupiter River Associates.

If you have any questions please call me I will be more than happy to provide you with any information you need in order to complete the documentation for the company.

Respectfully,

Viola Soffe
Office Manager
