I am the President of Environmental, Health & Safety Search Associates, Inc. and would like to have the corporation reinstated and have the reinstatement fee/penalty waived. Quite frankly, we had no idea that the corporation status was inactive. Our former accountant had been handling all of our financial and corporate filings. Since we moved our offices from the 971 Virginia Avenue, Palm Harbor address nearly three years ago, the notices to file have not been forwarded. Our new accountant had assumed that we were filing the annual reports and we mistakenly assumed she was taking care of it like our previous accountant had been. If we had known that these reports were due we would definitely have paid them when they were due. It is only by happen chance that we discovered this issue now.

Enclosed is a check for \$458.75 to cover the filing fees for 2002, 2003 and 2004 and the cost of a certificate of status. Please just give me a call if you need any further information or there is anything else we need to do in order to reinstate the corporation. Thanks!

Randy Williams
President
