Dear Sir / Madam:

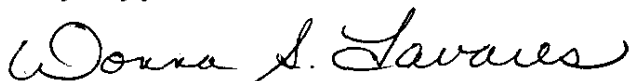

Enclosed please find reinstatement forms for each of the above named entities, together with the annual fees for 2003 and 2004, and the additional amount required for a certificate of status. Please consider this letter a formal request for abatement of the reinstatement fees.

While processing the UBR's online for the many companies this office handles, I noticed that I did not receive postcards for the entities named above. In order to obtain the document numbers I did name searches for each, and to my horror, discovered that the UBR's had not been filed for 2003, and not having received any notices regarding 2003, I did not consider this possibility until now. I cannot explain why this happened; however, I would like to rectify this situation as quickly as possible.

If you will examine the filing / payment record for the companies above, you will find that we have always filed and paid on time. This was not in any way a choice not to file or pay, but an oversight on my part. Please accept my deepest apologies and be assured that steps have been taken to make sure this does not ever happen again.

Please consider this request for abatement with my thanks. If you have any questions or require additional information, please do not hesitate to contact me.

Very truly yours,

Donna S. Tavares
Office Administrator
