To Whom it may concern:

I just spoke with a representative by phone. She told me to download a form, fill out and resend a check in the amount of \$150.00 which I am doing now.

She also suggested a letter stating all that has transpired in order to request that the \$400 penalty be waved. I am printing out this series of emails and attaching along with the other documentation and check.

Thanks you.

To whom it may concern:

Will do - I actually have talked to the bank and have the check stub. The check was actually #1331 written on 3/26/07. The check I mentioned earlier was for the year previous.

Regardless, it was never cashed. It seems some other checks were never cashed either. Assuming something happened through the mail that day with several checks.

I'm calling the number you mentioned now. And will resolve this ASAP. Would appreciate not being charged any additional fees since this matter was out of my control. I will be happy to submit a copy of the check stub if necessary.

Thanks.
