To whom it may concern:

Please accept this late UBR. I was astonished to find the unsent form still on my desk upon returning from abroad where I had been for several weeks with an emergency. Knowing that there was plenty of time before the due date, I didn't rush to complete it, but my situation changed abruptly and I was called away. It was to have been sent in shortly after I left but the office help became confused with the form and set it aside for further instructions. Please overlook this infraction.

Sincerely,

**Robert Cotton, owner
