To Whom it May Concern,

We recently returned from taking care of some business out of state and noticed that we had a 2nd notice from you about our Uniform Business Report. We did not get a first notice. We are a construction company and have been doing a lot of business out of state this year, so, our mail has been forward and then forwarded back and we believe this may have been where our problem was. We have not been incorporated for that long, and we were not aware that this is a yearly thing that needs to be taken care of. We now understand, and will be sure to file timely next year. We have enclosed our check for \$150 and are asking for an abatement of the penalties for late filing. We apologize for the late filing of our form and will be sure to file timely next year. Thank you for your assistance and understanding.

Sincerely,

**Matt Trader, Pres.
