MINUTES
JOINT SPECIAL MEETING OF STOCKHOLDERS AND DIRECTORS
THE INVESTMENT ADVISORY GROUP, INC.

A special meeting of the directors and stockholders of THE INVESTMENT ADVISORY GROUP, INC. was duly called and held on October 4, 2002, at 10:00 a.m., at the offices of the corporation. All directors and stockholders were present and agreed by their signatures affixed to these minutes to waive notice of time, place and purpose of this meeting.

Alicia Hall-Freiwald acted as Chairman and as Secretary of the meeting.

The Chairman stated that the purpose of the meeting was to consider a plan of liquidation and dissolution of the corporation.

In the discussion which followed, it was agreed that it would be advisable to liquidate the corporation and to bring about its dissolution.

The Chairman presented a proposed plan of complete liquidation of the corporation, adopted by the Board of Directors and recommended by them for adoption. After full consideration and upon motion duly made and carried, the following resolution was unanimously adopted:

SECTION 331

WHEREAS, the Board of Directors of the corporation has determined that it is in the best interests of the corporation and its shareholders to wind up the affairs of the corporation, to distribute within a period of 12 months all of its assets in complete liquidation pursuant to the provisions of Section 331 of the Internal Revenue Code, and to dissolve the corporation.

BE IT RESOLVED, that the following plan of liquidation of the corporation be and it is hereby adopted:

(1) During the period ending 12 months from the date of adoption of this plan, the appropriate officers of the corporation are authorized to negotiate and consummate sales of all or any portion of the assets of the corporation for such price and upon the terms and conditions as they determine to be in the best interests of the corporation and its shareholders.

(2) During the 12 month period, the corporation shall continue its business to the extent necessary to collect all of its accounts receivable, pay all of its liabilities and otherwise conduct business consistent with the objective of the corporation to sell its assets and wind up the affairs of the corporation. During the 12 month period, the appropriate officers of the corporation are authorized to make periodic distributions of assets of the corporation to its shareholders, in cash or in kind, in a series of distributions in complete liquidation, retaining such assets as may be necessary to pay expenses or liabilities and to continue the operation of assets not having been sold at the time of any such periodic distribution. All such liquidation distributions to the shareholders shall be pro rata in accordance with the ownership of the stock of the corporation.

(3) Not later than the 3rd day of October, 2003, being the end of the 12 month period following the date of adoption of this plan, all assets of the corporation not previously distributed which, in the opinion of the officers of the corporation, are no longer needed for payment of expenses or liabilities of the corporation, shall be distributed pro rata to the shareholders of the corporation. Upon such distribution, each shareholder shall surrender for cancellation the certificates representing his ownership of stock in the corporation.

(4) Within 30 days after the date of adoption of this plan of liquidation, the Secretary of the corporation shall file Treasury Department Form 966 with the appropriate officer of the Internal Revenue Service, and all required attachments thereto.

(5) Upon distribution of all of the assets of the corporation in complete liquidation, the officers of the corporation shall instruct the corporation's accountants to close the books of the corporation and to prepare and timely file a final Federal income tax return and State income tax return on behalf of the corporation, and Treasury Department Forms 1096 and 1099L.

(6) After all of the assets of the corporation have been distributed in complete liquidation to the shareholders in proportion to their stock ownership in the corporation, the appropriate officers and directors of the corporation shall cause to be filed with the Office of the Secretary of State of the State of Florida the necessary documents pursuant to the provisions of Section 607.267, Florida Statutes, as that statute presently exists

or may be amended, to effect a complete statutory dissolution of the corporation. The officers and directors of the corporation shall have the power to adopt all resolutions, execute all documents, file all papers and take whatever action they deem necessary or desirable for the purpose of effecting the complete liquidation and dissolution of the corporation, so long as any such action shall not be inconsistent with the provisions of Section 331 of the Internal Revenue Code and the Treasury Regulations issued thereunder. This plan shall be deemed to authorize such action as, in the opinion of counsel for the corporation, may be necessary to conform with the provisions and requirements of Section 331 of the Internal Revenue Code.

There being no further business, the meeting was adjourned.
