The name and address of the registered agent of the Corporation is Corporation Service Company, 1201 Hays Street, Tallahassee, Florida 32301.

(ii) 2,000,000 shares of preferred stock, \$.01 par value per share (the "Preferred Stock"), of which 1,080,000 shares have been designated Series A Convertible Preferred Stock, 187,500 shares have been designated Series B Convertible Preferred Stock, and 258,825 shares have been designated Series C Convertible Preferred Stock. Article IV hereof contains a description of the Preferred Stock and a statement of the designations and the powers, privileges and rights, and the qualifications, limitations or restrictions thereof.

Common Stock

AA. General. The voting, dividend and liquidation rights of the holders of the Common Stock are subject to and qualified by the rights of the holders of the Preferred Stock.

BB. Voting Rights. Each holder of record of Common Stock shall be entitled to one vote for each share of Common Stock standing in such holder's name of the books of the Corporation. Except as otherwise required by law or Article IV of these Articles of Incorporation, the holders of Common Stock and the holders of Preferred Stock shall vote together as a single class on all matters submitted to shareholders for a vote (including any action by written consent).

CC. Dividends. Subject to provisions of law and Article IV of these Articles of Incorporation, the holders of Common Stock shall be entitled to receive dividends out of funds legally available therefor at such times and in such amounts as the Board of Directors may determine in its sole discretion.

DD. Liquidation. Subject to provisions of law and Article IV of these Articles of Incorporation, upon any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after the payment or provisions for payment of all debts and liabilities of the Corporation and all preferential amounts to which the holders of the Preferred Stock are entitled with respect to the distribution of assets in liquidation, the holders of Common Stock shall be entitled to share ratably with the holders of Preferred Stock in the remaining assets of the Corporation available for distribution.

Preferred Stock

A. General.

1. Issuance of Preferred Stock in Classes or Series. The Preferred Stock of the Corporation may be issued in one or more classes or series at such time or times and for such consideration as the Board of Directors of the Corporation may determine. Each class or series shall be so designated as to distinguish the shares thereof from the shares of all other classes and series. Except as to the relative designations, preferences, powers, qualifications, rights and privileges referred to in this Article IV, in respect of any or all of which there may be variations between different classes or series of Preferred Stock, all shares of Preferred Stock shall be identical. Different series of Preferred Stock shall not be construed to constitute different classes of shares for the purpose of voting by classes unless otherwise specifically set forth herein.

2. Authority to Establish Variations Between Classes or Series of Preferred Stock. The Board of Directors of the Corporation is expressly authorized, subject to the limitations prescribed by law and the provisions of these Articles of Incorporation, to provide, by adopting a resolution or resolutions, for the issuance of the undesignated Preferred Stock in one or more classes or series, each with such designations, preferences, voting powers, qualifications, special or relative rights and privileges as shall be stated in Articles of Amendment to the Articles of Incorporation, which shall be filed in accordance with the Florida Business Corporation Act, and the resolutions of the Board of Directors creating such class or series. The authority of the Board of Directors with respect to each such class or series shall include, without limitation of the foregoing, the right to determine and fix:

(a) the distinctive designation of such class or series and the number of shares to constitute such class or series;

(b) the rate at which dividends on the shares of such class or series shall be declared and paid, or set aside for payment, whether dividends at the rate so determined shall be cumulative or accruing, and whether the shares of such class or series shall be entitled to any participating or other dividends in addition to dividends at the rate so determined, and if so, on what terms;

(c) the right or obligation, if any, of the Corporation to redeem shares of the particular class or series of Preferred Stock and, if redeemable, the price, terms and manner of such redemption;

(d) the special and relative rights and preferences, if any, and the amount or amounts per share, which the shares of such class or series of Preferred Stock shall be entitled to receive upon any voluntary or involuntary liquidation, dissolution or winding up of the Corporation;

(e) the terms and conditions, if any, upon which shares of such class or series shall be convertible into, or exchangeable for, shares of capital stock of any other class or series, including the price or prices or the rate or rates of conversion or exchange and the terms of adjustment, if any;

(f) the obligation, if any, of the Corporation to retire, redeem or purchase shares of such class or series pursuant to a sinking fund or fund of a similar nature or otherwise, and the terms and conditions of such obligation;

(g) voting rights, if any, including special voting rights with respect to the election of directors and matters adversely affecting any class or series of Preferred Stock;

(h) limitations, if any, on the issuance of additional shares of such class or series or any shares of any other class or series of Preferred Stock; and

(i) such other preferences, powers, qualifications, special or relative rights and privileges thereof as the Board of Directors of the Corporation, acting in accordance with these Articles of Incorporation, may deem advisable and are not inconsistent with law and the provisions of these Articles of Incorporation.

B. Description and Designation of Convertible Preferred Stock.

1. Designation. A total of 1,080,000 shares of the Corporation's Preferred Stock shall be designated as "Series A Convertible Preferred Stock," a total of 187,500 shares of the Corporation's Preferred Stock shall be designated as "Series B Convertible Preferred Stock," and a total of 258,825 shares of the Corporation's Preferred Stock shall be designated as "Series C Convertible Preferred Stock." As used herein, the term "Preferred Stock" used without references to the Series A Convertible Preferred Stock and/or Series B Convertible Preferred Stock and/or Series C Convertible Preferred Stock means the shares of Series A Convertible Preferred Stock, the shares of Series B Convertible Preferred Stock, the shares of Series C Convertible Preferred Stock and the shares of series of authorized Preferred Stock of the Corporation issued and designated from time to time by a resolution or resolutions of the Board of Directors, share for share alike and without distinction as to class or series, except as otherwise expressly provided for in this Article IV of these Articles of Incorporation or as the context otherwise requires. As used herein, the term "Convertible Preferred Stock" means the shares of Series A Convertible Preferred Stock, the shares of Series B Convertible Preferred Stock, and the shares of Series C Convertible Preferred Stock, share for share alike and without distinction as to class or series, except as otherwise expressly provided for in this Article IV of these Articles of Incorporation or as the context otherwise requires.

2. Dividends. The holders of record of shares of the Convertible Preferred Stock shall be entitled to receive cash dividends, which shall be payable when, as and if declared by the Board of Directors, out of assets which are legally available for the payment of such dividends, at an annual rate equal to \$.01 per share of Series A Convertible Preferred Stock, \$.32 per share of Series B Convertible Preferred Stock, and \$.30 per share of Series C Convertible Preferred Stock (each which amount shall be subject to equitable adjustment whenever there shall occur after the date of issuance a stock dividend, stock split, combination, reorganization, recapitalization, reclassification or other similar event involving the Convertible Preferred Stock), provided that such dividends shall not be currently payable and shall only be payable when and if specifically provided herein. Dividends shall be cumulative, without compounding, and shall accrue daily on each share of Convertible Preferred Stock from the date of issuance. Dividends payable on the Convertible Preferred Stock for any period less than a full year shall be computed on the basis of the actual number of days elapsed and a 365-day year. No dividends shall be paid or declared, and no other distribution shall be made, on or with respect to the Common Stock of the Corporation as long as there are any unpaid accrued dividends with respect to shares of Convertible Preferred Stock issued and outstanding. Upon the conversion of shares of the Preferred Stock into Common Stock of the Corporation, all cumulative dividends with respect to such converted shares shall be cancelled.

3. Liquidation, Dissolution or Winding Up.

(a) Treatment at Sale, Liquidation, Dissolution or Winding Up. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, before any distribution or payment is made to any holders of any shares of Common Stock or any other class or series of capital stock of the Corporation designated to be junior to the Convertible Preferred Stock, and subject to the liquidation rights and preferences of any class or series of Preferred Stock designated to be senior to, or on a parity with, the Convertible Preferred Stock, the holders of shares of Convertible Preferred Stock shall be entitled to be paid first out of the assets of the Corporation available for distribution to holders of the Corporation's capital stock whether such assets are capital, surplus or earnings, an amount equal to \$0.10 per share of Series A Convertible Preferred Stock, \$4.00 per share of Series B Convertible Preferred Stock, and \$4.25 per share of Series C Convertible Preferred Stock (each which amount shall be subject to equitable adjustment whenever there shall occur a stock dividend, stock split, combination, reorganization, recapitalization, reclassification or other similar event involving the Convertible Preferred Stock) plus any dividends accrued or declared but unpaid on such shares (such amounts, as so determined, are referred to herein as the "Series A Liquidation Value," "Series B Liquidation Value" and "Series C Liquidation Value" with respect to such shares, respectively). After payment has been made to the holders of the Convertible Preferred Stock, and any series of Preferred Stock designated to be senior to, or on a parity with, the Convertible Preferred Stock, of the full liquidation preference to which such holders shall be entitled as aforesaid, the remaining assets shall be distributed among the holders of Common Stock on a pro-rata basis.

(b) Insufficient Funds. If upon such liquidation, dissolution or winding up the assets or surplus funds of the Corporation to be distributed to the holders of shares of Convertible Preferred Stock and any other then-outstanding shares of the Corporation's capital stock ranking on a parity with respect to payment on liquidation with the Convertible Preferred Stock (such shares being referred to herein as the "Parity Stock") shall be insufficient to permit payment to such respective holders of the full Series A Liquidation Value, the Series B Liquidation Value, the Series C Liquidation Value and all other preferential amounts payable with respect to the Convertible Preferred Stock and such Parity Stock, then the assets available for payment or distribution to such holders shall be allocated among the holders of the Convertible Preferred Stock and such Parity Stock, pro rata, in proportion to the full respective preferential amounts to which the Convertible Preferred Stock and such Parity Stock are each entitled.

(c) Certain Transactions Treated as Liquidation. For purposes of this Section 3, (A) any acquisition of the Corporation by means of merger or other form of corporate

reorganization or consolidation with or into another corporation in which outstanding shares of this Corporation, including shares of Convertible Preferred Stock, are exchanged for securities or other consideration issued, or caused to be issued, by the other corporation or its subsidiary and, as a result of which transaction, the shareholders of this Corporation own 50% or less of the voting power of the surviving entity, or (B) a sale, transfer or lease (other than a pledge or grant of a security interest to a bona fide lender) of all or substantially all of the assets of the Corporation (other than to or by a wholly owned subsidiary or parent of the Corporation), shall be treated as a liquidation, dissolution or winding up of the Corporation and shall entitle the holders of Convertible Preferred Stock to receive the amount that would be received in a liquidation, dissolution or winding up pursuant to Section 3(a) hereof, if the holders of at least 50% of the then outstanding shares of Convertible Preferred Stock so elect by giving written notice thereof to the Corporation at least three days before the effective date of such event. The Company will provide the holders of Preferred Stock with notice of all transactions which are to be treated as a liquidation, dissolution or winding up pursuant to this Section 3(c) at least twenty (20) business days prior to the earlier of the vote relating to such transaction or the closing of such transaction.

(d) Distributions of Property. Whenever the distribution provided for in this Section 3 shall be payable in property other than cash, the value of such distribution shall be the fair market value of such property as determined in good faith by the Board of Directors, unless the holders of 50% or more of the then outstanding shares of Convertible Preferred Stock request, in writing, that an independent appraiser perform such valuation, then by an independent appraiser selected by the Board of Directors and reasonably acceptable to the holders of 50% or more of the then outstanding shares of Convertible Preferred Stock.

4. Voting Power.

(a) General. Except as otherwise expressly provided in Section 9 hereof or as otherwise required by law, each holder of Convertible Preferred Stock shall be entitled to vote on all matters and shall be entitled to that number of votes equal to the number of whole shares of Common Stock into which such holder's respective shares of Convertible Preferred Stock could then be converted, pursuant to the provisions of Section 5 hereof, at the record date for the determination of shareholders entitled to vote on such matter or, if no such record date is established, at the date such vote is taken or any written consent of shareholders is solicited. Except as otherwise expressly provided in Section 9 hereof or as otherwise required by law, the holders of shares of Preferred Stock and Common Stock shall vote together as a single class on all matters.

5. Conversion Rights. The holders of the Convertible Preferred Stock shall have the following rights with respect to the conversion of such shares into shares of Common Stock:

(a) General. Subject to and in compliance with the provisions of this Section 5, any or all shares of the Convertible Preferred Stock may, at the option of the holder thereof, be converted at any time into fully-paid and non-assessable shares of Common Stock. The number of shares of Common Stock to which a holder of Series A Convertible Preferred Stock shall be entitled to receive upon conversion shall be the product obtained by multiplying the Series A Applicable Conversion Rate (determined as provided in Section 5(b)) by the number of shares of Series A Convertible Preferred Stock being converted at any time. The number of shares of Common Stock to which a holder of Series B Convertible Preferred Stock shall be entitled to receive upon conversion shall be the product obtained by multiplying the Series B Applicable Conversion Rate (determined as provided in Section 5(b)) by the number of shares of Series B Convertible Preferred Stock being converted at any time. The number of shares of Common Stock to which a holder of Series C Convertible Preferred Stock shall be entitled to receive upon conversion shall be the product obtained by multiplying the Series C Applicable Conversion Rate (determined as provided in Section 5(b)) by the number of shares of Series C Convertible Preferred Stock being converted at any time.

(b) Applicable Conversion Rate. The conversion rate in effect at any time for the Series A Convertible Preferred Stock (the "Series A Applicable Conversion Rate") shall be the quotient obtained by dividing \$0.10 by the Series A Applicable Conversion Value, as defined in Section 5(c). Initially, the Series A Applicable Conversion Rate shall be one (1), and each share of Series A Convertible Preferred Stock shall initially be convertible into one (1) share of Common Stock. The conversion rate in effect at any time for the Series B Convertible Preferred Stock (the "Series B Applicable Conversion Rate") shall be the quotient obtained by dividing \$4.00 by the Series B Applicable Conversion Value, as defined in Section 5(c). Initially, the Series B Applicable Conversion Rate shall be one (1), and each share of Series B Convertible Preferred Stock shall initially be convertible into one (1) share of Common Stock. The conversion rate in effect at any time for the Series C Convertible Preferred Stock (the "Series C Applicable Conversion Rate") shall be the quotient obtained by dividing \$4.25 by the Series C Applicable Conversion Value, as defined in Section 5(c). Initially, the Series C Applicable Conversion Rate shall be one (1), and each share of Series C Convertible Preferred Stock shall initially be convertible into one (1) share of Common Stock.

(c) Applicable Conversion Value. The Series A Applicable Conversion Value in effect from time to time, except as adjusted in accordance with Section 5(d) hereof, shall be \$0.10 with respect to the Series A Convertible Preferred Stock (the "Series A Applicable Conversion Value"). The Series B Applicable Conversion Value in effect from time to time, except as adjusted in accordance with Section 5(d) hereof, shall be \$4.00 with respect to the Series B Convertible Preferred Stock (the "Series B Applicable Conversion Value"). The Series C Applicable Conversion Value in effect from time to time, except as adjusted in accordance with Section 5(d) hereof, shall be \$4.25 with respect to the Series C Convertible Preferred Stock (the "Series C Applicable Conversion Value"). The Series A Applicable Conversion Value, the Series B Applicable Conversion Value and the Series C Applicable Conversion Value are sometimes individually and collectively referred to herein as the "Applicable Conversion Value."

(d) Adjustment to Applicable Conversion Value.

(i) (A) Effect on Applicable Conversion Value Upon Dilutive Issuances of Common Stock or Convertible Securities. If the Corporation shall, while there are any shares of Convertible Preferred Stock outstanding, issue or sell shares of its Common Stock (or Common Stock Equivalents, as defined below) without consideration or at a price per share less than the Applicable Conversion Value for one or more series of Convertible Preferred Stock in effect immediately prior to such issuance or sale, then and in such event, the Applicable Conversion Value for each such series of Preferred Stock (with respect to which the price per share in connection with the issuance or sale by the Company was less than the Applicable Conversion Value) upon each such issuance or sale, except as hereinafter provided, shall be reduced, concurrently with such issue, to a price (calculated to the nearest cent) determined by multiplying the Series A Applicable Conversion Value, Series B Applicable Conversion and/or Series C Applicable Conversion, as relevant and as in effect immediately prior to such calculation, by a fraction:

(1) the numerator of which shall be (a) the number of shares of Common Stock outstanding immediately prior to the issuance of such additional shares of Common Stock or Common Stock Equivalents (calculated on a fully diluted basis assuming the exercise or conversion of all then exercisable options, warrants, purchase rights or convertible securities), plus (b) the number of shares of Common Stock which the net aggregate consideration, if any, received by the Corporation for the total number of such additional shares of Common Stock or Common Stock Equivalents so issued would purchase at the relevant Applicable Conversion Value in effect immediately prior to such issuance, and

(2) the denominator of which shall be (a) the number of shares of Common Stock outstanding immediately prior to the issuance of such additional shares of Common Stock or Common Stock Equivalents (calculated on a fully diluted basis assuming the exercise or conversion of all then exercisable options, warrants, purchase

rights or convertible securities), plus (b) the number of such additional shares of Common Stock or Common Stock Equivalents so issued.

The provisions of this Section 5(d)(i)(A) may be waived in any instance (without the necessity of convening any meeting of shareholders of the Corporation) upon the written consent of the holders of at least 66.66% of the outstanding shares of Convertible Preferred Stock.

(i) (B) Effect on Applicable Conversion Value Upon Other Dilutive Issuances of Warrants, Options and Purchase Rights to Common Stock or Convertible Securities.

(1) For the purposes of this Section 5(d)(i), the issuance of any warrants, options, subscription or purchase rights with respect to shares of Common Stock and the issuance of any securities convertible into or exchangeable for shares of Common Stock, or the issuance of any warrants, options, subscription or purchase rights with respect to such convertible or exchangeable securities (collectively, "Common Stock Equivalents"), shall be deemed an issuance of Common Stock with respect to one or more series of Convertible Preferred Stock if the Net Consideration Per Share (as hereinafter determined) which may be received by the Corporation for such Common Stock Equivalents shall be less than the Applicable Conversion Value of such series in effect at the time of such issuance. Any obligation, agreement or undertaking to issue Common Stock Equivalents at any time in the future shall be deemed to be an issuance at the time such obligation, agreement or undertaking is made or arises. No adjustment of an Applicable Conversion Value shall be made under this Section 5(d)(i) upon the issuance of any shares of Common Stock which are issued pursuant to the exercise, conversion or exchange of any Common Stock Equivalents if any adjustment shall previously have been made with respect to such Applicable Conversion Value upon the issuance of any such Common Stock Equivalents as above provided.

(2) Should the Net Consideration Per Share of any such Common Stock Equivalents be decreased from time to time, then, upon the effectiveness of each such change, the Applicable Conversion Value will be that which would have been obtained (1) had the adjustments made upon the issuance of such Common Stock Equivalents been made upon the basis of the actual Net Consideration Per Share of such securities, and (2) had adjustments made to the Applicable Conversion Value since the date of issuance of such Common Stock Equivalents been made to such Applicable Conversion Value as adjusted pursuant to (1) above. Any adjustment of the Applicable Conversion Value with respect to this paragraph which relates to Common Stock Equivalents shall be disregarded if, as, and when all of such Common Stock Equivalents expire or are cancelled without being exercised, so that the Applicable Conversion Value effective immediately upon such cancellation or expiration shall be equal to the Applicable Conversion Value in effect at the time of the issuance of the expired or cancelled Common Stock Equivalents, with such additional adjustments as would have been made to the Applicable Conversion Value had the expired or cancelled Common Stock Equivalents not been issued.

(3) For purposes of this paragraph, the "Net Consideration Per Share" which may be received by the Corporation shall be determined as follows:

(a) The "Net Consideration Per Share" shall mean the amount equal to the total amount of consideration, if any, received by the Corporation for the issuance of such Common Stock Equivalents, plus the minimum amount of consideration, if any, payable to the Corporation upon exercise, or conversion or exchange thereof, divided by the aggregate number of shares of Common Stock that would be issued if all such Common Stock Equivalents were exercised, exchanged or converted.

(b) The "Net Consideration Per Share" which may be received by the Corporation shall be determined in each instance as of the date of issuance of Common Stock Equivalents without giving effect to any possible future upward price adjustments or rate adjustments which may be applicable with respect to such Common Stock Equivalents.

(i) (C) Stock Dividends for Holders of Capital Stock Other Than Common Stock. In the event that the Corporation shall make or issue, or shall fix a record date for the determination of holders of any capital stock of the Corporation other than holders of Common Stock entitled to receive a dividend or other distribution payable in Common Stock or securities of the Corporation convertible into or otherwise exchangeable for the Common Stock of the Corporation, then such Common Stock or other securities issued in payment of such dividend shall be deemed to have been issued for a consideration of \$.01, except for (i) dividends payable in shares of Common Stock payable pro rata to holders of Convertible Preferred Stock and to holders of any other class of stock (whether or not paid to holders of any other class of stock), or (ii) with respect to the Convertible Preferred Stock, dividends payable in shares of the applicable series of Convertible Preferred Stock.

(i) (D) Consideration Other than Cash. For purposes of this Section 5(d)(i), if a part or all of the consideration received by the Corporation in connection with the issuance of shares of the Common Stock or the issuance of any of the securities described in this Section 5(d)(i) consists of property other than cash, such consideration shall be deemed to have a fair market value as is reasonably determined in good faith by the Board of Directors of the Corporation.

(i) (E) Exceptions to Anti-dilution. This Section 5(d)(i) shall not apply under any of the circumstances which would constitute an Extraordinary Common Stock Event (as described below). Further, this Section 5(d)(i) shall not apply with respect to:

(1) the shares of Common Stock (or options to purchase such shares of Common Stock) issued or issuable at not less than fair market value to officers, employees or directors of, or consultants to, the Corporation pursuant to any stock purchase or option plan or other employee stock bonus arrangement as provided by the Corporation's Board of Directors, the aggregate number of which shall not exceed 450,000 shares of Common Stock (inclusive of shares subject to currently outstanding employee options);

(2) up to 330,000 shares of Common Stock (or options to purchase such shares of Common Stock) issued or issuable at not less than fair market value to officers and/or directors of the Corporation pursuant to arrangements approved by the Corporation's Board of Directors (inclusive of currently outstanding shares);

(3) up to 37,500 shares of Common Stock (or warrants to purchase such shares of Common Stock) issued or issuable in connection with debt financings approved by the Corporation's Board of Directors;

(4) securities issuable as a stock dividend or upon any subdivision of shares of Common Stock, provided that the securities issued pursuant to such stock dividend or subdivision are limited to additional shares of Common Stock; and

(5) the shares of Common Stock into which the shares of Convertible Preferred Stock are converted.

(ii) Upon Extraordinary Common Stock Event. Upon the happening of an Extraordinary Common Stock Event (as hereinafter defined), each Applicable Conversion Value (and all other conversion values set forth in Section 5(d)(i) above) shall, simultaneously with the happening of such Extraordinary Common Stock Event, be adjusted by multiplying the relevant Applicable

Conversion Value by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such Extraordinary Common Stock Event and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such Extraordinary Common Stock Event, and the product so obtained shall thereafter be the relevant Applicable Conversion Value. Each Applicable Conversion Value, as so adjusted, shall be readjusted in the same manner upon the happening of any successive Extraordinary Common Stock Event or Events.

An "Extraordinary Common Stock Event" shall mean (i) the issue of additional shares of Common Stock as a dividend or other distribution on outstanding shares of Common Stock, (ii) a subdivision of outstanding shares of Common Stock into a greater number of shares of Common Stock, or (iii) a combination or reverse stock split of outstanding shares of Common Stock into a smaller number of shares of Common Stock.

(iii) Upon Cash Flow Shortfall. Upon the happening of a Cash Flow Shortfall (as hereinafter defined), the Series B Applicable Conversion Value shall, simultaneously with the happening of such Cash Flow Shortfall, be adjusted by multiplying the then Series B Applicable Conversion Value by nine-tenths (.9), and the product so obtained shall thereafter be the Series B Applicable Conversion Value.

A "Cash Flow Shortfall" shall be deemed to occur on December 31, 2000, if and only if the Corporation shall not have theretofore made at least an aggregate of \$500,000 of payments (whether principal and/or interest) with respect to the aggregate of \$909,000 principal amount of the Corporation's 12% subordinated Promissory Notes issued as of November 3, 1998.

(e) Automatic Conversion Upon Initial Public Offering.

(i) Mandatory Conversion of Preferred Stock. Immediately upon the closing of a Qualified Public Offering, all outstanding shares of Convertible Preferred Stock shall be converted automatically into the number of shares of Common Stock into which such shares of Convertible Preferred Stock are then convertible pursuant to Section 5 hereof as of the closing of such Qualified Public Offering, without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent. For purposes of this Section 5, "Qualified Public Offering" shall mean a firm commitment underwritten public offering of the Corporation's Common Stock underwritten by a nationally recognized full-service investment bank pursuant to which the aggregate gross proceeds received by the Corporation is at least \$10,000,000 at a price per share of not less than \$10.00 (following appropriate adjustment in the event of any stock dividends, stock split, combination or other similar recapitalization affecting such shares).

(ii) Surrender of Certificates Upon Mandatory Conversion. Upon the occurrence of the conversion events specified in the preceding paragraph (i), the holders of the Convertible Preferred Stock shall, upon notice from the Corporation, surrender the certificates representing such shares at the office of the Corporation or of its transfer agent for the Common Stock. Thereupon, there shall be issued and delivered to such holder a certificate or certificates for the number of shares of Common Stock into which the shares of Convertible Preferred Stock so surrendered were convertible on the date on which such conversion occurred. The Corporation shall not be obligated to issue such certificates unless certificates evidencing the shares of Convertible Preferred Stock being converted are either delivered to the Corporation or any such transfer agent, or the holder notifies the Corporation that such certificates have been lost, stolen or destroyed and executes an agreement satisfactory to the Corporation to indemnify the Corporation from any loss incurred by it in connection therewith.

(f) Dividends. In the event the Corporation shall make or issue, or shall fix a record date for the determination of holders of Common Stock entitled to receive a dividend or other

distribution (other than a distribution in liquidation or other distribution otherwise provided for herein) with respect to the Common Stock payable in (i) securities of the Corporation other than shares of Common Stock, or (ii) other assets (excluding cash dividends or distributions), then and in each such event provision shall be made so that the holders of the Convertible Preferred Stock shall receive upon conversion thereof in addition to the number of shares of Common Stock receivable thereupon, the number of securities or such other assets of the Corporation which they would have received had their Convertible Preferred Stock been converted into Common Stock on the date of such event and had they thereafter, during the period from the date of such event to and including the Conversion Date (as that term is hereafter defined in Section 5(j)), retained such securities or such other assets receivable by them during such period, giving application to all other adjustments called for during such period under this Section 5 with respect to the rights of the holders of the Convertible Preferred Stock.

(g) Capital Reorganization or Reclassification. If the Common Stock issuable upon the conversion of the Convertible Preferred Stock shall be changed into the same or different number of shares of any class or classes of capital stock, whether by capital reorganization, recapitalization, reclassification or otherwise (other than a subdivision or combination of shares or stock dividend provided for elsewhere in this Section 5, or a merger, consolidation or sale of all or substantially all of the Corporation's capital stock or assets to any other person), then and in each such event the holder of each share of Convertible Preferred Stock shall have the right thereafter to convert such share into the kind and amount of shares of capital stock and other securities and property receivable upon such reorganization, recapitalization, reclassification or other change by the holders of the number of shares of Common Stock into which such shares of Convertible Preferred Stock might have been converted immediately prior to such reorganization, recapitalization, reclassification or change, all subject to further adjustment as provided herein.

(h) Merger, Consolidation or Sale of Assets. If at any time or from time to time there shall be a merger or consolidation of the Corporation with or into another corporation (other than a merger or reorganization involving only a change in the state of incorporation of the Corporation), or the sale of all or substantially all of the Corporation's capital stock or assets to any other person, then, as a part of such reorganization, merger, or consolidation or sale, and if and to the extent the holders of Preferred Stock do not make the liquidation treatment election contemplated by Section 3(c) hereof, provision shall be made so that the holders of the Convertible Preferred Stock shall thereafter be entitled to receive upon conversion of the Convertible Preferred Stock the number of shares of stock or other securities or property of the Corporation, or of the successor corporation resulting from such merger or consolidation, to which such holder would have been entitled if such holder had converted its shares of Convertible Preferred Stock immediately prior to such capital reorganization, merger, consolidation or sale. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 5 to the end that the provisions of this Section 5 (including adjustment of the Applicable Conversion Value then in effect and the number of shares of Common Stock or other securities issuable upon conversion of such shares of Convertible Preferred Stock) shall be applicable after that event in as nearly equivalent a manner as may be practicable.

(i) Certificate as to Adjustments; Notice by Corporation. In each case of an adjustment or readjustment of an Applicable Conversion Rate, the Corporation at its expense will furnish each holder of the relevant series of Convertible Preferred Stock with a certificate prepared by the Treasurer or Chief Financial Officer of the Corporation, showing such adjustment or readjustment, and stating in detail the facts upon which such adjustment or readjustment is based.

(j) Exercise of Conversion Privilege. To exercise its conversion privilege, a holder of Convertible Preferred Stock shall surrender the certificate or certificates representing the shares being converted to the Corporation at its principal office, and shall give written notice to the Corporation at that office that such holder elects to convert such shares. Such notice shall also state the name or names (with address or addresses) in which the certificate or certificates for shares of Common Stock issuable upon such conversion shall be issued. The certificate or certificates for shares of Convertible Preferred

Stock surrendered for conversion shall be accompanied by proper assignment thereof to the Corporation or in blank. The date when such written notice is received by the Corporation, together with the certificate or certificates representing the shares of Convertible Preferred Stock being converted, shall be the "Conversion Date." As promptly as practicable after the Conversion Date, the Corporation shall issue and shall deliver to the holder of the shares of Convertible Preferred Stock being converted, or on its written order, such certificate or certificates as it may request for the number of whole shares of Common Stock issuable upon the conversion of such shares of Convertible Preferred Stock in accordance with the provisions of this Section 5, rounded up to the nearest whole share as provided in Section 5(k), in respect of any fraction of a share of Common Stock issuable upon such conversion. Such conversion shall be deemed to have been effected immediately prior to the close of business on the Conversion Date, and at such time the rights of the holder as holder of the converted shares of Convertible Preferred Stock shall cease and the person(s) in whose name(s) any certificate(s) for shares of Common Stock shall be issuable upon such conversion shall be deemed to have become the holder or holders of record of the shares of Common Stock represented thereby.

(k) No Issuance of Fractional Shares. No fractional shares of Common Stock or scrip representing fractional shares shall be issued upon the conversion of shares of Convertible Preferred Stock. Instead of any fractional shares of Common Stock which would otherwise be issuable upon conversion of Convertible Preferred Stock, the Corporation shall round up to the next whole share of Common Stock issuable upon the conversion of shares of Convertible Preferred Stock. The determination as to whether any fractional shares of Common Stock shall be rounded up shall be made with respect to the aggregate number of shares of Convertible Preferred Stock being converted at any one time by any holder thereof, not with respect to each share of Convertible Preferred Stock being converted.

(l) Partial Conversion. In the event some but not all of the shares of Convertible Preferred Stock represented by a certificate(s) surrendered by a holder are converted, the Corporation shall execute and deliver to or on the order of the holder, at the expense of the Corporation, a new certificate representing the number of shares of Convertible Preferred Stock which were not converted.

(m) Reservation of Common Stock. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock, solely for the purpose of effecting the conversion of the shares of the Convertible Preferred Stock, such number of its shares of Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of the Convertible Preferred Stock (including any shares of Convertible Preferred Stock represented by any warrants, options, subscription or purchase rights for Convertible Preferred Stock), and if at any time the number of authorized but unissued shares of Common Stock shall not be sufficient to effect the conversion of all then outstanding shares of the Convertible Preferred Stock (including any shares of Convertible Preferred Stock represented by any warrants, options, subscriptions or purchase rights for such Preferred Stock), the Corporation shall take such action as may be necessary to increase its authorized but unissued shares of Common Stock to such number of shares as shall be sufficient for such purpose.

(n) No Reissuance of Preferred Stock. No share or shares of Convertible Preferred Stock acquired by the Corporation by reason of redemption, purchase, conversion or otherwise shall be reissued, and all such shares shall be cancelled, retired and eliminated from the shares which the Corporation shall be authorized to issue. The Corporation shall from time to time take such appropriate corporate action as may be necessary to reduce the authorized number of shares of the Convertible Preferred Stock.

6. Registration of Transfer. The Corporation will keep at its principal office a register for the registration of shares of Preferred Stock. Upon the surrender of any certificate representing shares of Preferred Stock at such place, the Corporation will, at the request of the record holders of such certificate, execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange

therefore representing the aggregate number of shares of Preferred Stock represented by the surrendered certificate. Each such new certificate will be registered in such name and will represent such number of shares of Preferred Stock as is required by the holder of the surrendered certificate and will be substantially identical in form to the surrendered certificate.

7. Replacement. Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered holder will be satisfactory) of the ownership and the loss, theft, destruction or mutilation of any certificate evidencing shares of Preferred Stock, and in the case of any such loss, theft or destruction, upon receipt of an unsecured indemnity from the holder reasonably satisfactory to the Corporation or, in the case of such mutilation upon surrender of such certificate, the Corporation will (at its expense) execute and deliver in lieu of such certificate a new certificate of like kind representing the number of shares of Preferred Stock represented by such lost, stolen, destroyed or mutilated certificate and dated the date of such lost, stolen, destroyed or mutilated certificate.

8. Restrictions and Limitations on Corporate Action and Amendments to Charter.

(a) The Corporation shall not take any corporate action or otherwise amend its Articles of Incorporation without the approval by vote or written consent of the holders of at least 66.66% of the then outstanding shares of Convertible Preferred Stock, voting together as a single class, each share of Convertible Preferred Stock to be entitled to that number of votes equal to the number of shares of Common Stock into which such share could then be converted pursuant to the provisions of Section 5, if such corporate action or amendment would:

(i) amend any of the rights, preferences, privileges of or limitations provided for herein for the benefit of any shares of Convertible Preferred Stock;

(ii) authorize or issue, or obligate the Corporation to authorize or issue, (1) additional shares of Convertible Preferred Stock, (2) Parity Stock (as defined in Section 3(b)), or (3) shares of Preferred Stock senior to the Convertible Preferred Stock with respect to liquidation preferences, dividend rights or redemption rights;

(iii) decrease the authorized number of shares of Convertible Preferred Stock; or

(iv) amend any provisions of this Section 8(a).

(b) In the event that shares of Convertible Preferred Stock are outstanding, the Corporation will not or take any corporate action without the approval by the holders of at least 50% of the then outstanding shares of Convertible Preferred Stock, voting together as a single class, if such corporate action would authorize the Company to:

(i) merge, consolidate or reorganize the Corporation, or sell all or substantially all of the Corporation's assets or effect any transaction or series of transactions in which more than 50% of the voting power of the Corporation is disposed; or

(ii) repurchase or redeem any securities of the Corporation; or

(iii) establish borrowing from banks or financial institutions in the aggregate of more than \$100,000; or

(iv) pledge any of the assets of the Corporation in the aggregate with a fair market value in excess of \$100,000.

9. No Dilution or Impairment. The Corporation will not, by amendment of its Articles of Incorporation or through any reorganization, transfer of capital stock or assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of the Preferred Stock set forth herein, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the holders of the Preferred Stock against dilution or other impairment. Without limiting the generality of the foregoing, the Corporation (a) will not increase the par value of any shares of stock receivable on the conversion of the Preferred Stock above the amount payable therefor on such conversion, and (b) will take all such action as may be necessary or appropriate in order that the Corporation may validly and legally issue fully paid and nonassessable shares of stock on the conversion of all Preferred Stock from time to time outstanding.

10. Notices of Record Date. In the event of:

(a) any taking by the Corporation of a record of the holders of any class of securities for the purpose of determining the holders thereof who are entitled to receive any dividend or other distribution, or any right to subscribe for, purchase or otherwise acquire any shares of capital stock of any class or any other securities or property, or to receive any other right, or

(b) any capital reorganization of the Corporation, any reclassification or recapitalization of the capital stock of the Corporation, any merger or consolidation of the Corporation, or any transfer of all or substantially all of the assets of the Corporation to any other corporation, or any other entity or person, or

(c) any voluntary or involuntary dissolution, liquidation or winding up of the Corporation,

then and in each such event the Corporation shall mail or cause to be mailed to each holder of Preferred Stock a notice specifying (i) the date on which any such record is to be taken for the purpose of such dividend, distribution or right and a description of such dividend, distribution or right, (ii) the date on which any such reorganization, reclassification, recapitalization, transfer, consolidation, merger, dissolution, liquidation or winding up is expected to become effective, and (iii) the time, if any, that is to be fixed, as to when the holders of record of Common Stock (or other securities) shall be entitled to exchange their shares of Common Stock (or other securities) for securities or other property deliverable upon such reorganization, reclassification, recapitalization, transfer, consolidation, merger, dissolution, liquidation or winding up. Such notice shall be mailed by first class mail, postage prepaid, at least ten (10) days prior to the earlier of (1) the date specified in such notice on which such record is to be taken and (2) the date on which such action is to be taken.

11. Notices. Except as otherwise expressly provided, all notices referred to herein will be in writing and will be delivered by registered or certified mail, return receipt requested, postage prepaid and will be deemed to have been given when so mailed (i) to the Corporation, at its principal executive offices and (ii) to any shareholder, at such holder's address as it appears in the stock records of the Corporation (unless otherwise indicated in writing by any such holder).

ARTICLE V

Bylaw Amendment

In furtherance and not in limitation of the powers conferred by the laws of Florida, each of the Board of Directors and the shareholders are both expressly authorized and empowered to make, alter, amend and repeal the Bylaws of the Corporation in any respect not inconsistent with the laws of the State of Florida or with these Articles of Incorporation. The shareholders of the Corporation may amend or

adopt a bylaw that fixes a greater quorum or voting requirement for shareholders (or voting groups of shareholders) than is required by law.

ARTICLE VI

Keeping of Books

The books of the Corporation may be kept at such place within or without the State of Florida as the Bylaws of the Corporation may provide or as may be designated from time to time by the Board of Directors of the Corporation.

ARTICLE VII

Indemnification

A director of the Corporation shall not be personally liable to the Corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Corporation or its shareholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 607.0834 of the Florida Business Corporation Act, as the same exists or hereafter may be amended, (iv) for violation of a criminal law, unless the director had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful, or (v) for any transaction from which the director derived an improper personal benefit.

If the Florida Business Corporation Act hereafter is amended to authorize the further elimination or limitation of the liability of directors, then the liability of the Corporation's directors shall be eliminated or limited to the full extent authorized by the Florida Business Corporation Act, as amended.

The Corporation shall indemnify each director, or each former director, of the Corporation to the fullest extent permitted by law.

Any repeal or modification of this Article shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or modification.

ARTICLE VIII

Amendment

The Corporation reserves the right to amend or repeal any provision contained in these Articles of Incorporation, or any amendment thereto, and any right conferred upon the shareholders is subject to this reservation.

Such amendment and restatement of these Articles of Incorporation has been duly authorized and directed by Unanimous Written Consent of the Board of Directors of the Corporation, dated January 31st 2000, and by Written Consent of the Shareholders of the Corporation, dated January 31st 2000, which shareholders' consent was signed by the holders of a majority of the outstanding capital stock of the Corporation and was sufficient for the approval of the amendment and restatement. Such amendment and restatement of the Articles of Incorporation supersede the original Articles of Incorporation of the Corporation and all amendments to them.

IN WITNESS WHEREOF, these Amended and Restated Articles of Incorporation have been signed by the President and the Secretary of the Corporation this 2nd day of February, 2000, and affirm that the statements made herein are true under the penalties of perjury.
