RE: Reinstatement of German American Investors, Inc.

Dear Sir/Madam:

Enclosed with our application for reinstatement is a check for \$150.00 to cover the year of unpaid corporate annual report fees.

My company is a small business which has been going through growing pains, one of which was moving its office a year ago. According to your records, my last pre-printed corporate annual report went to my old address.

When my new C.P.A. brought to my attention that the report was due again, we called the Division of Corporations in order to determine the address where my paperwork was being mailed. At that time I was notified that my company was dissolved and needed to be reinstated.

When I was informed of the reinstatement fee that was required I indicated it would be a hardship on my company's cash flow and would create payments of other obligations to be in arrears.

I am requesting your understanding of the events that took place and would appreciate it if the additional fee to reinstate would be waived.

Thank you in advance for your help in this matter.

Sincerely,

  
Volker Haiges, President
