Always A Holiday Inc.
3728 Vineland RD.
Orlando, FL. 32811

To whom it may concern;

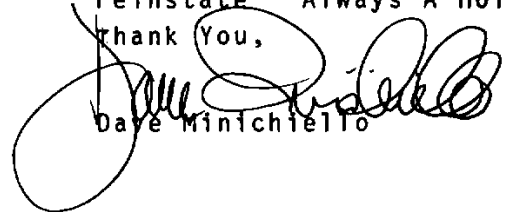

I just received the "Division Of Corporations" form of revocation.

I called your office since I couldn't understand why I never received the original form for \$150.00 along with our other corporation form which we paid.

We did not want to dissolve this since we are just starting to use it for a new Holiday startup.

The person I talked to said to send \$150.00 to reinstate "Always A Holiday".

Thank You,
