IMPORTANT FACTS

To maintain "active" status, every corporation must file, in a timely manner, with the Department of State, a corporation annual report/uniform business report.

Reports are due between January 1 and May 1 of each calendar year.

Second notice annual reports/uniform business reports, informing each corporation that it would be dissolved/revoked on or after September 10 if the report was not filed, were sent to the last address provided to this office by June 6th of this year.

~~This notice is being given to all corporations that have not filed their 2003 annual report/uniform business report as of September 19, 2003. If you feel your report and this notice have crossed in the mail, you may call (850) 245-6059 to verify the filing. You may disregard this notice if the 2003 annual report/uniform business report has been filed.~~

To return a dissolved/revoked corporation to "active" status, the corporation must reinstate. The form to reinstate is enclosed in this packet. The signatures of the registered agent and an officer or director must be on the reinstatement form. (If the same individual serves as the registered agent as well as an officer or director, he or she must sign in both capacities.)

Filing fee information to reinstate is shown on the back of the form. The reinstatement fee can be waived if the corporation did not receive the two prior uniform business report (UBR) notices. Our office will need to receive the completed application for reinstatement and the appropriate UBR filing fee and a letter, signed by an officer or director of the corporation, stating the prior UBR notices were not received. The fee to file the report without penalty is \$150.00 for a for-profit corporation and \$61.25 for a not-for-profit corporation.

If you have filing questions, call (850) 245-6059.

To whom it may concern:

I am always prompt in paying my bills and fees.

I was very disturbed to see this notice. I never received either notice of the UBR filing fee.

I spoke with my C.P.A. and she has no record of it being paid. I forward all business correspondence to her as I receive it and she is faithful in directing me as what to do. The only explanation I can come up with is that maybe the post office would not deliver the mailings. I have never had a problem in getting my business mail at my home address before.

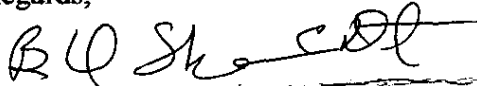

This is a small business but a very important one as to the lively hood of my family.

I am asking for a wavier without penalty.

Thank you for your consideration in this important matter.

I will speak with the Post Master in Lake Mary next week.

Regards,
