To whom it may concern:

Recently, I received the second notice for 2000 Uniform Business Report. I spoke to one of your operators and told her that I never received the first notice, and the second one just arrived this week. Although I know this is not your fault, I explained to her that possibly the first one got lost in the mail. She explained to me that both notices are sent to the same address. I understand that is the case, but having been so I would have paid the fee upon the first notice as I have always done in the past. She informed me to go ahead and just pay the \$150 filing fee and attach this letter to my report explaining the situation.

Thank you for your understanding in the matter, if you have any questions, please feel free to contact me. Also, if possible, I would like a confirmation once my report and fee has been filed to verify that everything is alright.

Sincerely,

A handwritten signature in black ink, appearing to read "Jorge Rodriguez Jr.", written over a horizontal line.
