As per our phone conversation earlier, please note that my first name as the director of SyberGel Global Inc. , document # P98000030779 was spelled incorrectly. The name that you have currently listed is Edgar and it should be Igor. I greatly appreciate your help in correcting this. Please fax me back, as you said you would, any document showing this correction. I need this in order to present to my bank so that I may be able to open a business account. Thank you very much for your help.

Sincerely,

Igor M. Gelman
