- Dear Sir or Madam:

I have been the accountant for Home-Works Repair & Improvements, Inc. for many years. The 2000 Uniform Business Report was timely filed on May 1, 2000, along with a check for \$150 (check number 1680 dated 5/1/00). I received a telephone call from the client indicating that the corporation had been administratively dissolved by the State. They did not receive the second notice, only the third. Upon further research, I discovered that the check dated 5/1/00 had never been cashed. I know for a fact that the check had in fact been written because I am the one who enters their accounting information in my computer system and I had a copy of the original signed report.

Enclosed is a copy of the original report which was filed on 5/1/00, along with a replacement check for \$150 payable to the Department of State. Please accept the report as originally filed so that the clients do not have to pay the additional \$600. I assure you that the first report had been timely filed. If you have any questions please feel free to call me at the (941) 273-6200.

Yours Very Truly,

14

Joseph D. Kerpcza
