To whom it may Concern:

I (Randolph Simmonds) am the CEO and President of Newdawn Integrated Technologies. I recently received a notice of Dissolution to my Corporation for lack of payment. I never received the Annual report, which tells me how much to pay. I did receive a bill for \$150 earlier in the year and I immediately sent that bill off. I was under the assumption that that bill was from this state department but it was not. I learned later that that bill I paid went to the tax department. After I learned of this I called them to find out why I was paying them taxes when I always pay my tax on time I was told it was an error on there part.

But for months that was the only bill I received. I never saw the regular annual report that normally comes from your department. As a matter of fact for the last couple of years I have always paid this department late because I never receive the report until it is way past the due date.

Please advise me on what I need to do to keep my Corporation intact. If possible can you modify the fees?

Looking forward for a favorable response.

Sincerely Yours

Randolph Simmonds
