Re: L.A.W. Enterprises, Inc./Document Number P98000036589/EI Number 65-0829234

Gentlemen:-

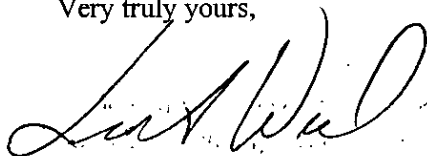

Enclosed herewith is a fully executed Corporation Reinstatement for the referred corporation. Also enclosed is a check made payable to the Division of Corporations in the amount of \$300.00 representing fees for the years 2001 and 2002 and a check in the amount of \$8.75 to receive a copy of the Certificate of Status. You still have in your possession our check in the amount of \$150.00 representing payment for the corporation for the year 2001 which has never been cashed.

I would like to take this time to try and explain what has occurred in this delinquent filing. Our corporation and subsequent matters were always administered to by our accountant. When mail comes in for this corporation and the business it is all gathered and forwarded to this accountant to handle. Unbeknownst to us he had been very ill and was not handling our account as it should have been. We had no idea that the 2001 check for fees had never been cashed and that the corporation was in arrears. To further the situation our accountant passed away this spring. His widow told us that before he died he obtained an extension for our taxes and to give her some time to gather all of our records.

Time passed and I finally obtained all of our records and proceeded to locate a new accountant to handle our affairs and that was when I became aware of the problem with the corporation when our new accountant advised us of same. When I called the Division to see what could be done to rectify the matter I was advised to fill out the enclosed form, send in the money for the two years with a letter explaining our situation and that it would be taken under advisement.

If you should have any questions please feel free to call the office. I look forward to this corporation being reinstated and, hopefully, having the late fees waived. Your courtesy and cooperation in this matter is appreciated.

Very truly yours,

Leon A. Wright, President
