Dept of State Associate,

My wife and I are the owners of a company in Clermont Florida, ERA Professional Real Estate Services Inc (FEI: 59-3507505), and I am writing regarding the annual uniform business report for the corporation for this current year.

My wife and I were on the way to an appointment, and a tourist pulled out in front of our car while we were at full speed. The accident was very serious, both cars were totaled, and we both were in the hospital, she with life threatening injuries that required extensive surgery, and a long recovery at home. We don't know if she will ever walk normally again. She handles all the finances for our office, so when I returned to work after getting out of the hospital, I was going through her paperwork, and found the Annual Report, which by now was late.

I called your office in Tallahassee, and they told me to send in the original report completed with the \$150 filing fee, which I did, and I was told that the penalty very well may never be charged.

This week I received a notice from your department requesting the penalty amount. I called yesterday, told the agent our situation, and they told me to write this to you and request the penalty be waived, which I am requesting. I was not aware that the report was due, and upon finding it, immediately sent you the report with our annual fee. We would sincerely appreciate your help in this considering what we have already been through.

Call me if you have any questions. Thank you for your help.

Sincerely,

A handwritten signature in black ink, appearing to read "Marvin Puryear".
