Re: Ventura Architecture Development, Inc.
Reinstatement
Document # P98000040089

To Whom it may concern,

As per your request I am writing this letter to explain why I am requesting to have the \$600.00 Reinstatement fee waved. As you may now know I have not payed the \$150.00 since I have started my company because I have never receive the notice in 1999. The address that registered is a very old address that I have not used since 1999, which was may old home address. The corporation was originally setup by my old accountant, which I have not used since 1999, I was never informed by him nor anybody else that this was something I had to look out for. 2 years ago I applied for renewal status of my Workman Compensation exemption and I receive it without any questions, however today when I went to apply again to renew my exemption they notified me for the first time that my Corporation was inactive, to my surprise. When I called immediately the Department of Corporations they informed me to fill out the application with a check for \$750.00 and this letter. I am sending it via FedEx because I am in desperate need of my Exemption certificate in order to release inspections that I have pending in Dade county, which I cant complete till my workmen compensation exemption is renewed which I cant do till my corporation is active again. I was told by the Gentleman whom I spoke to this morning from your office that it take 2 to 3 days to release the hold on the computer. Your immediate attention is appreciated greatly .

Sincerely,

Michael Ventura, President
