Dear Division of Corporations,

I received two weeks ago the renewal form for my corporation, as I usually do every year. This year I was surprised to realize that the renewal costs were increased to \$550 because we usually pay \$150. The number of the document I received is P98000040373.

The difference of the two amounts prompted me to call your information number. I was able to talk to an operator that informed me that the fees had not been raised – that they still were \$150. The operator said that I was being charged \$550 for supposed late payments.

I would like you to know that this renewal form is the only payment notice I have received this year. I have not been mailed any other payment notice regarding payments or fees. The information I have had is that my corporation has to pay renewal fees on the month of August every year.

For that reason I ask that the payment of \$150 be accepted in presence of this confusion.

Sincerely,

Cesar Pulido,
Officer Director.
