To Whom It May Concern;

I am writing this letter because I received a notice from you stating that my company was late filing the annual report for the year 2001. I want to explain the circumstances that caused me to be late in filing my report. My uncle was diagnosed with cancer in December of 2000 and was in and out of the hospital for 6 months. My family took this very hard including my mother. I was taking care of a lot of personal things and didn't realize that I never sent in the annual report. My uncle had passed away in June of 2001 leaving my family devastated. I must have received this second notice and just put it aside not thinking that I was late. I recently went through all of my mail and discovered this report but I guess it was the second one because I do not remember receiving the first report.

I am enclosing a check to you for the \$150.00 and ask if you can please forgive the late filing fee I thank you in advance for your cooperation in this matter.

Sincerely,

Patrick Argento
