With respect to (i) all Common Stock issued and outstanding as of the Effective Date, (ii) all Common Stock issuable upon the exercise of any Option issued or granted prior to the Effective Date (except where the express terms of any such document, agreement or instrument, pursuant to which any such Option was issued or granted provide otherwise), and (iii) all Common Stock issued on or after the Effective Date (except where the express terms of such issuance provide otherwise), all such Common Stock shall constitute, and be classified as, Class B Common Stock. The designations and the preferences, limitations and relative rights of the Preferred Stock and the Common Stock of the Corporation are as follows:

A. PROVISIONS RELATING TO THE PREFERRED STOCK

(e) whether or not the shares of a class or series shall be subject to the operation of retirement or sinking funds to be applied to the purchase or redemption of such shares for retirement, and if such retirement or sinking fund or funds are established, the annual amount thereof and the terms and provisions relative to the operation thereof;

(HC2000155787 3)

(f) the dividend rate, whether dividends are payable in cash, stock of the Corporation or other property, the conditions upon which and the times when such dividends are payable, the preference to or the relation to the payment of the dividends payable on any other class or classes or series of stock, whether or not such dividend shall be cumulative or noncumulative, and, if cumulative, the date or dates from which such dividends shall accumulate;

B. CLASS A PREFERRED STOCK

Designation. Two million seven hundred seventy-seven thousand eight hundred fifty-six (2,777,856) shares of the Corporation's Preferred Stock have been designated by the Board of Directors of the Corporation as "Class A Preferred Stock" (the "Class A Preferred Stock"). The Class A Preferred Stock shall have the powers, preferences, rights, qualifications, limitations and restrictions set forth below, as the same may be amended from time to time in accordance with Section 10.

Section 1. Dividends.

1A. General Obligation. When and as declared by the Corporation's Board of Directors and to the extent permitted under the Florida Business Corporation Act, the Corporation shall pay preferential dividends in cash to the holders of the Class A Preferred Stock

{M1787358:5}

(HC2000155787 3)

(H02000155787 3)

(the "Class A Preferred") as provided in this Section 1. Except as otherwise provided herein, if any Class A Preferred remains outstanding on January 1, 2005, dividends on each share of the Class A Preferred (a "Share") shall accrue on a daily basis at the rate of (x) 4% per annum of the Liquidation Value thereof from and after January 1, 2005 to and including the first to occur of (i) the date on which the Liquidation Value of such Share (plus all accrued and unpaid dividends thereon) is paid to the holder thereof in connection with the liquidation of the Corporation or the redemption of such Share by the Corporation or (ii) the date on which such Share is otherwise acquired by the Corporation. Such dividends shall accrue whether or not they have been declared and whether or not there are profits, surplus or other funds of the Corporation legally available for the payment of dividends.

1B. Distribution of Partial Dividend Payments. Except as otherwise provided herein, if at any time the Corporation pays less than the total amount of dividends then accrued with respect to the Class A Preferred, such payment shall be distributed pro rata among the holders thereof based upon the aggregate accrued but unpaid dividends on the Shares held by each such holder.

1C. Reduction of Dividend. In the event the Corporation makes a Qualified Public Offering, the Corporation may elect to eliminate any further accrual of dividends on the Class A Preferred Stock after the date such Qualified Public Offering closes by making a single cash payment to each holder thereof in the amount of six (6) quarterly dividend payments at the then applicable dividend rate on the date such Qualified Public Offering closes.

Section 2. Liquidation.

Upon any liquidation, dissolution or winding up of the Corporation (whether voluntary or involuntary), each holder of Class A Preferred shall be entitled to be paid, before any distribution or payment is made upon any Junior Securities, an amount in cash equal to the aggregate Liquidation Value of all Shares held by such holder (plus all accrued and unpaid dividends thereon), and the holders of Class A Preferred shall not be entitled to any further payment. If upon any such liquidation, dissolution or winding up of the Corporation the Corporation's assets to be distributed among the holders of the Class A Preferred are insufficient to permit payment to such holders of the aggregate amount which they are entitled to be paid under this Section 2, then the entire assets available to be distributed to the Corporation's shareholders shall be distributed pro rata among such holders based upon the aggregate Liquidation Value (plus all accrued and unpaid dividends) of the Class A Preferred held by each such holder. Prior to the liquidation, dissolution or winding up of the Corporation, the Corporation shall declare for payment all accrued and unpaid dividends with respect to the Class A Preferred, but only to the extent of funds of the Corporation legally available for the payment of dividends. Not less than 60 days prior to the payment date stated therein, the Corporation shall mail written notice of any such liquidation, dissolution or winding up to each record holder of Class A Preferred, setting forth in reasonable detail the amount of proceeds to be paid with respect to each Share and each share of Common Stock in connection with such liquidation, dissolution or winding up.

(R02000155787 3)

Section 3. Prioritv of Class A Preferred on Dividends and Redemptions.

So long as any Class A Preferred remains outstanding, without the prior written consent of the holders of a majority of the outstanding shares of Class A Preferred, the Corporation shall not, nor shall it permit any Subsidiary to (x) redeem, purchase or otherwise acquire directly or indirectly any Junior Securities (including, without limitation, warrants, options and other rights to acquire such Junior Securities), or directly or indirectly redeem, purchase or make any payments with respect to any stock appreciation rights, phantom stock plans or similar rights or plans (except for repurchases of Common Stock from employees of the Corporation and its Subsidiaries upon termination of employment pursuant to arrangements approved by the Corporation's Board of Directors, so long as no Event of Noncompliance is in existence immediately prior to or is otherwise caused by any such repurchase) or (y) directly or indirectly pay or declare any dividends or make any distribution upon any Junior Securities. Notwithstanding the foregoing, nothing in this Section 3 shall preclude the holders of the options or warrants exercisable into Class B Common Stock from exercising such options or warrants by exchanging other securities of the Corporation pursuant to the terms contained in such options or warrants.

Section 4. Redemptions.

4A. Scheduled Redemption. On April 30, 2004 (the "Scheduled Redemption Date"), the Corporation shall redeem all outstanding Shares of Class A Preferred at a price per Share equal to the Liquidation Value thereof (plus accrued and unpaid dividends thereon); provided that if the principal amounts due and owing under the Subordinated Notes are accelerated for any reason prior to April 30, 2004, the Scheduled Redemption Date shall be accelerated and changed to the date that the Corporation receives notice of such acceleration.

4B. Redemption Payments. Unless otherwise stated herein, for each Share which is to be redeemed hereunder, the Corporation shall be obligated to pay to the holder thereof (upon surrender by such holder at the Corporation's principal office of the certificate representing such Share) an amount in cash equal to the Liquidation Value of such Share (plus all accrued and unpaid dividends thereon). If the funds of the Corporation legally available for redemption of Shares on any Redemption Date are insufficient to redeem the total number of Shares to be redeemed on such date, those funds which are legally available shall be used to redeem the maximum possible number of Shares pro rata among the holders of the Shares to be redeemed based upon the aggregate Liquidation Value of such Shares held by each such holder (plus all accrued and unpaid dividends thereon). At any time thereafter when additional funds of the Corporation are legally available for the redemption of Shares, such funds shall immediately be used to redeem the balance of the Shares which the Corporation has become obligated to redeem on any Redemption Date but which it has not redeemed. Prior to any redemption of Class A Preferred, the Corporation shall declare for payment in cash all accrued and unpaid dividends with respect to the Shares which are to be redeemed, but only to the extent of funds of the Corporation legally available for the payment of dividends.

(R02000155787 3)

(H02000155787 3)

4C. Notice of Redemption. Except as otherwise provided herein, the Corporation shall mail written notice of each redemption of any Class A Preferred (other than a redemption at the request of a holder or holders of Class A Preferred) to each record holder thereof not more than 60 nor less than 30 days prior to the date on which such redemption is to be made. In case fewer than the total number of Shares represented by any certificate are redeemed, a new certificate representing the number of unredeemed Shares shall be issued to the holder thereof without cost to such holder within five business days after surrender of the certificate representing the redeemed Shares.

4D. Determination of the Number of Each Holder's Shares to be Redeemed. Except as otherwise provided herein, the number of Shares of Class A Preferred to be redeemed from each holder thereof in redemptions hereunder shall be the number of Shares determined by multiplying the total number of Shares to be redeemed times a fraction, the numerator of which shall be the total number of Shares then held by such holder and the denominator of which shall be the total number of Shares then outstanding.

4E. Dividends After Redemption Date. No Share shall be entitled to any dividends accruing after the date on which the Liquidation Value of such Share (plus all accrued and unpaid dividends thereon) is paid in cash to the holder of such Share. On such date, all rights of the holder of such Share shall cease, and such Share shall no longer be deemed to be issued and outstanding.

4F. Redeemed or Otherwise Acquired Shares. Any Shares which are redeemed or otherwise acquired by the Corporation shall be canceled and retired to authorized but unissued shares and shall not be reissued, sold or transferred.

4G. Other Redemptions or Acquisitions. The Corporation shall not, nor shall it permit any Subsidiary to, redeem or otherwise acquire any Shares of Class A Preferred, except as expressly authorized herein or pursuant to a purchase offer made pro rata to all holders of Class A Preferred on the basis of the number of Shares owned by each such holder.

4H. Special Redemptions.

(i) Fundamental Change

(a) If, before April 30, 2004, a Fundamental Change is proposed to occur, the Corporation shall give 10 business days prior written notice of such proposed Fundamental Change describing in reasonable detail the material terms and date of consummation thereof to each holder of Class A Preferred, and the Corporation shall give each holder of Class A Preferred prompt written notice of any material change in the terms or timing of such transaction. The holder or holders of a majority of the Class A Preferred then outstanding may require the Corporation to redeem all or any portion of the Class A Preferred owned by such holder or holders at a price per Share equal to the Liquidation Value thereof by giving written notice to the Corporation of such election prior to the later of (a) five days prior to the consummation of the Fundamental Change

(H02000155787 3)

or (b) five days after receipt of notice from the Corporation. The Corporation shall give prompt written notice of such election to all other holders of Class A Preferred (but in any event within five days prior to the consummation of the Fundamental Change), and each such holder shall have until two days after the receipt of such notice to request redemption (by written notice given to the Corporation) of all or any portion of the Class A Preferred owned by such holder. Upon receipt of such election(s), the Corporation shall be obligated to redeem the aggregate number of Shares specified therein upon the consummation of such Fundamental Change. If any proposed Fundamental Change does not occur, all requests for redemption in connection therewith shall be automatically rescinded.

(b) The term "Fundamental Change" means (1) any sale, transfer or issuance or series of sales, transfers and/or issuances of Common Stock by the Corporation or any holders thereof in any transaction (including a stock sale, tender offer, merger or recapitalization) which results in any Person or group of Persons (as the term "group" is used under the Securities Exchange Act of 1934) owning more than 50% of the Common Stock outstanding at the time of such sale, transfer or issuance or series of sales, transfers and/or issuances or (2) any sale or transfer of more than 50% of the assets of the Corporation and its Subsidiaries on a consolidated basis (measured either by book value in accordance with generally accepted accounting principles consistently applied or by fair market value determined in the reasonable good faith judgment of the Corporation's Board of Directors) in any transaction or series of transactions (other than sales in the ordinary course of business).

(ii) Exercise of a right to a redemption pursuant to this paragraph 4H shall not relieve the Corporation of its obligation to redeem Class A Preferred on the Scheduled Redemption Date pursuant to paragraph 4A above.

Section 5. Voting Rights.

5A. Election of Directors.

(i) In the election of directors of the Corporation, the holders of the Class A Preferred, voting separately as a single class to the exclusion of all other classes of the Corporation's capital stock and with each Share of Class A Preferred entitled to one vote shall be entitled to elect three (3) directors (each of whom may be a holder of Class A Preferred or an affiliate or an associate of a holder of Class A Preferred) to serve on the Corporation's Board of Directors until their successors are duly elected by the holders of the Class A Preferred or they are removed from office by the holders of the Class A Preferred (the "Investor Directors"). Each Investor Director shall be entitled to four (4) votes on any matter submitted to the Board.

(ii) The holders of Class A Preferred and the holders of Class A Common Stock shall vote together as a single class (separate from the holders of Class B Common Stock), and the holders of Class B Common Stock shall vote as a separate class, to jointly elect three (3) directors to serve on the Corporation's Board of Directors (the "Outside Directors"); provided,

(H02000155787 3)

however, that none of such Outside Directors may be a holder of Class A Preferred, a holder of Class A Common Stock or an affiliate or associate of either of the foregoing (unless otherwise agreed to by the holders of a majority of Class B Common Stock), and none of such Outside Directors may be a holder of Class B Common Stock or an affiliate or associate thereof (unless otherwise agreed to by the holders of a majority of Class A Preferred and the holders of a majority of Class A Common Stock); and provided further that in electing the Outside Directors (A) the holder of each Share of Class A Preferred shall be entitled to one vote for each Share, (B) the holder of each share of Class A Common Stock shall be entitled to ten (10) votes as of the record date for such vote or, if no record date is specified, as of the date of such vote; and (C) the holder of each share of Class B Common Stock shall be entitled to one (1) vote as of the record date for such vote or, if no record date is specified, as of the date of such vote. If the holders of the Class A Preferred, Class A Common Stock and Class B Common Stock for any reason fail to agree upon the election of an Outside Director pursuant to the immediately preceding sentence, such position shall remain vacant until such time as the holders of the Class A Preferred, Class A Common Stock and Class B Common Stock, pursuant to the immediately preceding sentence, elect a director to fill such position and shall not be filled by resolution or vote of the Corporation's Board of Directors or the Corporation's other shareholders. The Outside Directors shall serve until their successors are duly elected by the holders of the Class A Preferred, Class A Common Stock, and Class B Common Stock or they are removed from office by the holders of the Class A Preferred, Class A Common Stock and Class B Common Stock.

5B. Other Voting Rights. The holders of the Class A Preferred shall be entitled to notice of all shareholders meetings in accordance with the Corporation's bylaws, and except as otherwise prohibited by applicable law, the holders of the Class A Preferred shall be entitled to vote, on all matters submitted to the shareholders for a vote, together with the holders of the Common Stock as a single class with (i) the holder of each share of Class A Common Stock entitled to ten (10) votes per share, (ii) the holder of each share of Class B Common Stock entitled to one (1) vote per share and (iii) the holder of each share of Class A Preferred entitled to one (1) vote per Share.

5C. Restrictions. For so long as any Shares are outstanding, the Corporation may not, without the written consent of holders of a majority of the Class A Preferred:

(i) Authorize, issue or enter into any agreement providing for the issuance (contingent or otherwise) of, (a) any notes or debt securities containing equity features (including, without limitation, any notes or debt securities convertible into or exchangeable for Junior Securities or other equity securities or containing profit participation features) or (b) any capital stock or other equity securities (or any securities convertible into or exchangeable for any capital stock or other equity securities) which are senior to or on a parity with the Class A Preferred with respect to the payment of dividends, redemptions or distributions upon liquidation or otherwise (including, without limitation, any additional shares of Class A Preferred);

(ii) except as expressly contemplated by the Purchase Agreement or otherwise permitted herein, make any amendment to the Articles of Incorporation or the Corporation's bylaws, or file any resolution of the Board of Directors with the Florida Secretary of State

{M1787358;5}

(H02000155787 3)

{R02000155787 3}

containing any provisions which would increase the number of authorized shares of the Class A Preferred or adversely affect or otherwise impair the rights or the relative preferences and priorities of the holders of the Class A Preferred under the Purchase Agreement, Articles of Incorporation, the Corporation's bylaws or the Registration Agreement;

(iii) merge or consolidate with any Person (including, but not limited to, a Founding Subsidiary), or, except as permitted by subparagraph 3F(xvii) of the Purchase Agreement, permit any Subsidiary to merge or consolidate with any Person other than with another Wholly-Owned Subsidiary or with the Corporation; provided that a merger between the Corporation and any Subsidiary is not permitted unless the Corporation survives such merger and the Corporation's Articles of Incorporation are not amended or restated in connection with such merger;

(iv) liquidate, dissolve or effect a recapitalization or reorganization in any form of transaction (including, without limitation, any reorganization into a limited liability company, a partnership or any other non-corporate entity which is treated as a partnership for federal income tax purposes); or

(v) effect a division or combination (as such terms are defined in Section 607.10025 of the Florida Business Corporation Act) of the Class A Preferred.

Section 6. Events of Noncompliance.

6A. Definitions. An Event of Noncompliance shall have occurred if:

(i) the Corporation fails to pay, in accordance with these Articles of Incorporation, the full amount of dividends which have accrued on the Class A Preferred, whether or not such payment is legally permissible or is prohibited by any agreement to which the Corporation is subject;

(ii) the Corporation fails to make any redemption payment with respect to the Class A Preferred which it is required to make hereunder or under the Purchase Agreement, whether or not such payment is legally permissible or is prohibited by any agreement to which the Corporation is subject;

(iii) the Corporation materially breaches or otherwise fails to perform or observe in any material respect any other covenant, agreement or obligation set forth herein or in the Purchase Agreement, the Registration Agreement or the Stockholders Agreement and fails to cure such breach or failure to perform by the earlier of (x) with respect to any covenant, agreement or obligation of the Corporation pursuant to which the Corporation is required to provide notice of a matter or circumstance to holders of Shares, the twentieth (20) day after the date on which the Corporation acquires knowledge about such matter or (y) the twentieth (20) day after the date on which any holder of Shares provides notice of such breach;

(H02000155787 3)

(iv) any representation or warranty contained in the Purchase Agreement or information required to be furnished to any holder of Class A Preferred pursuant to the Purchase Agreement, or any information contained in writing required to be furnished by the Corporation or any Subsidiary to any holder of Class A Preferred, is false or misleading on the date made or furnished, the Indemnified Liabilities resulting from or reflected by the aggregate of all such breaches of representations or warranties exceed \$100,000 (the "Trigger Amount") and the holders of Class A Preferred have not been paid in cash (or compensated in any other manner acceptable to the holders of a majority of the Shares) for such Indemnified Liabilities within 30 days of determination thereof;

(v) the Corporation makes an assignment for the benefit of creditors or admits in writing its inability to pay its debts generally as they become due; or an order, judgment or decree is entered adjudicating the Corporation bankrupt or insolvent; or any order for relief with respect to the Corporation is entered under the Federal Bankruptcy Code; or the Corporation petitions or applies to any tribunal for the appointment of a custodian, trustee, receiver or liquidator of the Corporation or of any substantial part of the assets of the Corporation, or commences any proceeding relating to the Corporation under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction; or any such petition or application is filed, or any such proceeding is commenced, against the Corporation and either (a) the Corporation by any act indicates its approval thereof, consent thereto or acquiescence therein or (b) such petition, application or proceeding is not dismissed within 60 days;

(vi) a judgment is rendered against the Corporation or any Subsidiary for an amount (in excess of insurance proceeds actually received by or paid on behalf of the Corporation) of \$5,000,000 and, within 60 days after entry thereof, such judgment is not discharged or execution thereof stayed pending appeal, or within 60 days after the expiration of any such stay, such judgment is not discharged; or

(vii) the Corporation or any Subsidiary defaults in the performance of any obligation or agreement if the effect of such default is to cause an amount exceeding \$5,000,000 to become due prior to its stated maturity or to permit the holder or holders of any obligation to cause an amount exceeding \$5,000,000 to become due prior to its stated maturity.

6B. Consequences of Events of Noncompliance.

(i) If an Event of Noncompliance has occurred after December 31, 2004, the applicable dividend rate on the Class A Preferred shall increase immediately by an increment of two (2) percentage points. Thereafter, until such time as no Event of Noncompliance exists (or, in the case of an Event of Noncompliance set forth in (iv) above, until the holders of Shares are fully compensated for the Indemnified Liabilities, including the Trigger Amount, resulting from or reflected by such breach, whether pursuant to the terms hereof or pursuant to the terms of Section 7Q of the Purchase Agreement, it being the right of the holders of a majority of the Shares to determine the manner in which all holders of Shares shall be compensated for such Indemnified Liabilities), the dividend rate shall increase automatically at the end of each

(H02000155787 3)

succeeding 180-day period by an additional increment of two percentage points (but in no event shall the dividend rate exceed 10%). Any increase of the dividend rate resulting from the operation of this subparagraph shall terminate as of the close of business on the date on which no Event of Noncompliance exists, subject to subsequent increases pursuant to this paragraph.

(ii) If an Event of Noncompliance has occurred, the holder or holders of a majority of the Class A Preferred then outstanding may demand (by written notice delivered to the Corporation) immediate redemption of all or any portion of the Class A Preferred owned by such holder or holders at a price per Share equal to the Liquidation Value thereof (plus all accrued and unpaid dividends thereon). The Corporation shall give prompt written notice of such election to the other holders of Class A Preferred (but in any event within five days after receipt of the initial demand for redemption), and each such other holder may demand immediate redemption of all or any portion of such holder's Class A Preferred by giving written notice thereof to the Corporation within seven days after receipt of the Corporation's notice. The Corporation shall redeem all Class A Preferred as to which rights under this paragraph have been exercised within 15 days after receipt of the initial demand for redemption.

(iii) If an Event of Noncompliance of the type described in subparagraph 6A(v) has occurred, all of the Class A Preferred then outstanding shall be subject to immediate redemption by the Corporation (without any action on the part of the holders of the Class A Preferred) at a price per Share equal to the Liquidation Value thereof (plus all accrued and unpaid dividends thereon). The Corporation shall immediately redeem all Class A Preferred upon the occurrence of such Event of Noncompliance.

(iv) If any Event of Noncompliance exists, each holder of Class A Preferred shall also have any other rights which such holder is entitled to under any contract or agreement at any time and any other rights which such holder may have pursuant to applicable law.

Section 7. Registration of Transfer.

The Corporation shall keep at its principal office a register for the registration of Class A Preferred. Upon the surrender of any certificate representing Class A Preferred at such place, the Corporation shall, at the request of the record holder of such certificate, execute and deliver (at the Corporation's expense) a new certificate or certificates in exchange therefor representing in the aggregate the number of Shares represented by the surrendered certificate. Each such new certificate shall be registered in such name and shall represent such number of Shares as is requested by the holder of the surrendered certificate and shall be substantially identical in form to the surrendered certificate, and dividends shall accrue on the Class A Preferred represented by such new certificate from the date to which dividends have been fully paid on such Class A Preferred represented by the surrendered certificate.

Section 8. Replacement.

Upon receipt of evidence reasonably satisfactory to the Corporation (an affidavit of the registered holder shall be satisfactory) of the ownership and the loss, theft, destruction or
