To Whom it May Concern,

When I received my 2002 OBR it stated that I was late and must pay \$550 instead of \$150. I did not receive this 2002 OBR until just recently. I called the Division of Corporations and was told to write a letter and include my payment of \$150 along with the completed report. I am at a loss as to why this important document did not reach me in a timely manner. I requested some input from the Post Office but they were unable to give me any information. I will be happy to work with the Division of Corporations to ensure that this mishap does not happen again. If you have any suggestions or solutions to avoid this problem I would be happy to explore and implement them. Thank you for your time.

Sincerely,  
K. Meyer  
President
