**Subject:** Address change and Tax ID number

Hello.

On July 1, 2010, our company, Psychology Software Inc., moved from 2517 River Tree Circle, Sanford, 32771 to 2434 SW 50th Blvd, Gainesville 32608. This is the location of our new office and our permanent mailing address.

In the process of moving, we have discovered that we are unable to locate our tax ID number that enables us to avoid paying sales tax on items that we purchase for resale. Is there some way that we can learn this number or must we wait until next year when we next file our annual corporate return?

Thank you for your assistance.

Sincerely,

Michael Levy, President
