I received your letter dated June 12, 2003 stating that you received my check for \$150.00 but not my report. But my report was attached to the letter. I called your offices to try and understand why my report wasn't filed and your agent Kathy explained to me that she shows that my UBR and check was not received until June.

I don't quite understand how you can tell me I did not file my report when it was attached, and then that my UBR did not arrive until June. The check and report was dated April 24, 2003. This allowed plenty of time to reach your offices. I am a very small company, which at this time is struggling to keep in business. I cannot afford another \$400 in late fees. My report and check was mailed on the 24th of April and feel that there was an error made here.

I respectfully request that if you will not file my report as is, then I would appreciate it if you please return my \$150 and I will let my company close.

I thank you for your consideration and look forward to a positive response.

Regards,

Sandra E. Edwards
