To whom it may concern:

On June 29th we received the 1999 Profit Corporation Annual Report Package and stamped on it in red was 2nd Notice. This was very disturbing to me because we had never received a first notice and since this is our first year in business, I am very careful to be sure and comply with all regulations and filings in their allotted time frame.

I have now noted your yearly filing date and this will never be a question again. I immediately called the telephone number listed in your packet and was told by your representative to write an explanation and to send a check for \$150.00 and that it would be reviewed.

I do hope that upon reading this letter you will see that we have not disregarded, nor ignored this filing.

Thank You,

Sandra V. Morris
