To whom it may concern:

I am sending this letter to bring to your attention that some sort of error has occurred. Please see the copy of the cancelled checks and copy of the annual/uniform reports. The annual/uniform reports were sent to the state on April 14, 2000 for the following two corporations Educational Endeavors Incorporated P98000048280 and Global Discoveries Incorporated P98000047355.

However a letter was sent from the state saying that the report was not received until June 2000. As was discussed with Kathy at the 800 number, the cause for the delay in processing the applications could have been due to the processing center. Kathy recommended a letter be sent to the state explaining and requesting that the reports be processed as on time and the late fee be waived.

It is very disturbing to me that the reports were sent out on time and yet were not processed until June 2000. It would be greatly appreciated if you could take into account that the reports were sent out on time but due to some unforeseen circumstance were not processed by the state until June of 2000. As was told to Kathy the reports for next year will be sent through the post office certified mail to avoid any question of when the reports were sent in to the state.

Thank you in advance for your assistance in this matter.

Sincerely,

Oscar P. Pacheco
