RE: P98000050269

My accountant has brought to my attention the fact that my corporation has been administratively dissolved for lack of filing the annual report. I never received the original UBR form for my corporation for 2003. I have completed the attached form and am sending it in along with a check for \$150.00. I request that the corporation "J & J School Co." be kept active for 2003. I ask that you waive the related late filing fees for the UBR for the year 2003.

If this is a suitable solution, please accept my check as payment to bring my corporation back into active status with the State of Florida.

Thank you for your time and consideration in this pressing matter.

Sincerely, Jessica al Comente
