To Whom It May Concern:

I am submitting this letter per our phone conversation in reference to my corporation referenced above.

Please accept this letter as written documentation that I never received any notification or papers from your office that my annual report was due. I downloaded the form per my accountant's instructions after their office looked for the check payable to your office when processing my April's paperwork. However, I obviously neglected to check the box on the website stating that I did not receive any form.

Please waive the \$400.00 penalty that is being requested in your attached letter. My \$150.00 check has been cashed and I humbly ask that you accept and record that as payment in full for my annual filing since I never received the form.

Your consideration and prompt attention to my request will be greatly appreciated.

Sincerely,

Enrique Cherres Sunshine Cleaners Inc.
