Dear Sirs:

This letter is in response to your letter dated February 10, 2003 (copy attached) requesting a corporate reinstatement fee of \$750. I would like to take a moment to explain the circumstances which caused this situation to arise.

In March of 2002, Pool Heaters of Florida filed their UBR sending in a check for \$150, which was cashed before the due date of the report by the State of Florida. Unfortunately, there was no registered agent signature for the newly appointed registered agent. The form was sent back to the company for that signature, but it was either obtained and inadvertently never mailed, was lost in the mail, or was never received by the new registered agent. None of the parties involved were aware there was a problem until the company received notice in February 2003 that it had been dissolved by the State of Florida.

Immediately upon notification, an application for reinstatement was sent in to the State of Florida with a fee of \$150.00 for the year 2003. That check was also cashed by the State.

Based on the above facts, we respectfully request that the Department reinstate the corporate status of Pool Heaters of Florida, Inc. and waive the penalties that have been assessed. There has been no effort by any of the concerned parties to either avoid filing the UBR form or paying the requisite fees involved.

We mailed you a copy of this letter on Thursday, February 20, 2003, but subsequently received the returned application for reinstatement. We are resubmitting it with this letter for your consideration.

If you have any questions regarding our request, please contact us at the corporate address used on the attached letter.

Thank you for your kind attention to this matter.

Sincerely yours,

A handwritten signature in cursive script that reads "David W Purcell".
