You had my TIN incorrect also. See above for correct number.

## Dear Sir or Madam:

Enclosed is my annual corporate tax fee for the state of Florida. I would appreciate your understanding with regard to the \$550 fee I have been charged as opposed to the normal \$150 fee. The only reason I did not pay before the deadline was because I moved (the post office did not forward your letter) and did not receive the notice until a week ago. The new owner of my home realized the importance of the second mailing from the Division of Corporations, so he looked up my address and physically brought it over to my new home.

Obviously I run my business out of my home. Had he not done that I don't know how I would have become aware of the annual fee let alone the late charge. I previously relied upon my accountant to inform me of these dates.

So, I am throwing myself at the "mercy of the court" and requesting that you be <u>so kind</u> as to return my enclosed \$550 check if I promptly mail back the normal annual fee of \$150. I promise I will discontinue relying upon my accountant to remind me of this annual fee and if I happen to move again I will send you my change of address. I have it firmly implanted on my calendar for the next three years!!! I am FED-EXing this letter and check to ensure you get it in time.

Sincerely yours,

William B. Halverson
