To Whom It May Concern:

I received a second notice for the filing of the Uniform Business Report for the year 2000, but I have never received the first notice. I am very careful about what I receive because I either give it to my attorney or CPA. After calling my attorney and leaving a message since he has been on vacation, his office explained that they had not received it either. My attorney gave me the telephone number for Division of Corporations and I spoke to a Leslie which stated that I had paid and was current and to disregard the notice.. I then called my attorney and told them what was said. The office went on the internet and said that the UBR for 2000 was not paid.

I called the Division back and spoke again to a different Leslie this time and she stated it had not been paid and that I still owed for the year 2000. I am very confused but I have checked my records and know that I did not receive the first notice. I always pay my bills on time and feel that it I would have received the notice I would not have the predicament that I am in now.

I was advised by your office to send the check for \$150.00 and a letter explaining the circumstances. Please accept my apology since if I would have received the notice I would have paid on time.

Sincerely,

Lana Appell
