Re: JAROJO, Inc. a Florida Corporation, filed between June 25-29, 1998

Dear Ms. Batten:

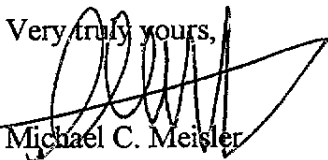

mpl  
No Service Fee Collected.

With respect to the above referenced corporation, the articles of incorporation were sent for filing from our Florida office by Mr. O'Hare by correspondence dated June 18, 1998 although not actually mailed until June 22, 1998.

It has come to my attention that Nationsbank, the banking depository that houses the trust account of M.C. Meisler, Chartered, a Florida corporation, made an unauthorized withdrawal from this account resulting in a negative balance. As we delivered to your offices a trust account check in the amount of \$122.50 to cover the filing fee drawn from Nationsbank, I am herewith enclosing a replacement check in like amount as the original check will be returned to your offices unpaid. Upon receipt of said check, please contact the undersigned at your earliest convenience as that check will be a critical piece of evidence in a lawsuit that we will be pursuing against Nationsbank.

Should you have any questions concerning the enclosures, please contact me by toll free pager, 800 609-9211 and insert your extension for me to reach you back.

Very truly yours,

  
Michael C. Meisler
