I received your second request for the corporation yesterday July 7,000. I have completed the form and have mailed it in on July 8<sup>th</sup>. Dear Sir/Madam this was the first time I have seen this form for the year 2000 ( I am not implying that the first form was not sent). I thought I was completing the first request. As you can see by the dates when I received the from and mailed the form, there was no time wasted.

I request a wavier of the late fee. I had no intent of being late with this report
